## **NOTICE OF PROPOSED EMERGENCY ACTION**

(Pursuant to Government Code section 11346.1)

### **REMOTE CALLER BINGO REGULATIONS**

(CGCC-GCA-2008-E-4)

**NOTICE IS HEREBY GIVEN** that the California Gambling Control Commission (Commission) is proposing to adopt emergency regulations that will establish a process for granting interim approval of card-minding devices used in the play of bingo games. The emergency adoption of the proposed regulations in Title 4, Division 18 of the California Code of Regulations will implement one element of the California Remote Caller Bingo Act.<sup>1</sup>

Government Code section 11346.1, subdivision (a), paragraph (2), requires that, at least five working days prior to submission of the proposed emergency action to the Office of Administrative Law (OAL), the adopting agency provide a notice of the proposed emergency action to every person who has filed a request for notice of regulatory action with the agency. After submission of the proposed emergency action to OAL, OAL shall allow interested persons five calendar days to submit comments on the proposed emergency regulations as set forth in Government Code section 11349.6. The Commission expects to file the proposed action with OAL on December 12, 2008.

Upon filing, OAL will have ten calendar days within which to review and make a decision on the proposed emergency action. If approved, OAL will file the regulations with the Secretary of State, and the emergency regulations will become effective upon that filing or upon a date specified by the Commission, and will remain in effect for 180 days. The Commission anticipates that the proposed emergency regulations may become effective as early as January 1, 2009, upon approval by OAL. Within the 180-day effective period, the Commission will proceed with a regular rulemaking action, including a public comment period, to make the emergency regulations permanent.

Attached to this Notice are the specific text of the proposed emergency regulations and the Commission's *Statement Concerning Emergency Regulations*.
