---

This chapter is adopted to protect the health, safety and welfare of the citizens of the city. Such chapter is necessary to provide maximum standards of qualification for journey-level plumbers who perform work within the city. Plumbing work is complex and demanding and carries a high risk of harm to person and property if done improperly. This chapter does not regulate either plumbing contractors licensed under the Contractors' License Law, Section 700, et seq. of the Business and Professions Code or apprentice plumbers regulated under an apprenticeship program pursuant to Section 3070 et. seq. of the Labor Code. (Prior code § 9.24.961)

[Up](#)[Previous](#)[Next](#)[Main](#)[Search](#)[Print](#)[No Frames](#)[Title 5 BUSINESS LICENSES AND REGULATIONS](#)[Chapter 5.32 CARDROOMS](#)**5.32.030 Statement of purpose.**

---

A. The regulatory provisions of this title are necessary to ensure that cardrooms are operated reasonably for the protection of public health, safety, and welfare and to conform to state-mandated requirements set by the Gambling Control Act found in the Business and Professions Code commencing with Section 19800, et seq. Although many operators are highly reputable, some are not. Gaming can bring enjoyment and entertainment for patrons, but also undesirable elements such as compulsive gambling, cheating, dishonesty, criminal violations and peace disturbances.

B. If all licensees were reputable and vigilant, very little supervision would be necessary. However, the city has found that some licensees require exhaustive monitoring and enforcement. Thorough screening of applicants prior to licensure is desirable. Pursuant to Section 5.32.060 of this chapter, the city manager, with the assistance of the chief of police, will conduct a thorough investigation into the background of applicants in order to assure that potential licensees will not foster criminal activity, will not be detrimental to the health, safety and welfare of the city, are of sound moral character, and that licensure is in the public interest.

C. Section 5.32.070 of this chapter limits the number of cardroom licenses issued to one for each one hundred thousand (100,000) residents of the city, with a maximum of four. The purpose of this limitation is to limit the gambling within this community to a level which will be a source of entertainment and recreation for local citizens while preventing a casino-like atmosphere in this community. A casino-like atmosphere, where gambling becomes a major industry or attraction and the community a center for gamblers from other jurisdictions, is detrimental to the development of this community. Increased and unrestrained gambling creates greater law enforcement problems, thereby compromising the ability of law enforcement to control the criminal and peace-disturbing effects thereof and diverting police resources from other law enforcement activity. Limiting the number of licenses and cardrooms to one for each one hundred thousand (100,000) residents, with a maximum of four, assists in the accomplishment of these goals as opposed to permitting a greater number of licensed cardrooms.

D. Accordingly, the chief of police has determined, and the city council finds, that a limitation of one cardroom per one hundred thousand (100,000) residents of the city, with a maximum of four, will minimize many of the abovementioned problems without undue burden on stable and reputable cardrooms. The purpose of this title is to protect the health, safety, and welfare of the citizens of the community, to assure that city law enforcement resources are efficiently allocated, and to provide cardrooms where citizens of this city can safely enjoy the entertainment provided by reputable cardrooms. An applicant for a cardroom license shall submit an application to the city manager or the city manager's designee. The application shall include, among other things, the following:

A. The true name of the applicant, together with the true names of all persons directly or indirectly interested in conducting the business, including all members of any firm or partnership. A corporate applicant shall list officers, directors and principal owners, including all owners of ten percent or more of the corporate stock.

B. Whether the applicant or any individual listed in subsection A of this section has at any time been convicted of a felony, or any other offense involving moral turpitude, or has been convicted of any narcotics violation or violation of any gambling laws or ordinances, or convicted of any fraud-related crimes, or if the applicant would be disqualified from holding a state gambling license for any reason specified in California Business and Professions Code Section 19859.

C. Whether or not any permit or license heretofore granted to applicant or any individual listed in subsection A of this section to engage in any business or do any act within any jurisdiction has been revoked or denied and, if so, the circumstances surrounding the revocation or denial.

D. The location and a description of the premises upon which the applicant proposes to conduct a cardroom and a statement of the property interest of the applicant in the premises as owner, lessee or otherwise. If premises is leased or rented, applicant shall submit a copy of the lease and/or rental agreement.

E. The number of card tables which will be operated on the premises. The number of tables shall not exceed that as provided by Section 5.32.180(B) of this chapter.

F. Such further information bearing on the identity and character of the applicant or any individual listed in subsection A of this section or the use, location, or condition of the premises as the city manager or designee may require. (Ord. 2006-068 § 1 (part); Ord. 2006-067 § 1 (part); Ord. 2004-018 § 1 (part); prior code § 5.01.003-3)

**Sacramento City Code**[Up](#)[Previous](#)[Next](#)[Main](#)[Search](#)[Print](#)[No Frames](#)[Title 5 BUSINESS LICENSES AND REGULATIONS](#)[Chapter 5.32 CARDROOMS](#)**5.32.050 Fee and surety bond.**

A. Cardroom licenses shall pay annually a business operations tax as required by Chapter 3.08 of this code. In addition to the aforementioned business operations tax, under Chapter 3.08 of this code, a nonrefundable application fee established by resolution of the city council shall be charged and collected from the applicant at the time of making application under Section 5.32.040 of this chapter.

B. In addition to any application fee and business operation taxes imposed by the city on the business of a cardroom, each licensee shall be charged a quarterly table operation fee for each card table operated by the licensee or to be operated by the applicant. The amount of this quarterly fee shall be set by resolution of the city council and shall be based upon any and all costs incurred by the city related to this title, including but not limited to the cost to the city of enforcement and revenue administration of this title.

C. The quarterly table operation fee shall be paid quarterly in advance by the applicant or licensee to the revenue division. The first quarterly fee shall be due at the filing of the initial application for a cardroom license. Thereafter, the quarterly table operation fee shall be paid, in advance, for the succeeding quarter. Payment shall be made on or before January 1st, April 1st, June 1st, and September 1st; except that, if any of these days falls on a Sunday or a city holiday, the quarterly due date for payment shall be the day before such Sunday or city holiday. The quarterly table operation fee shall be delinquent if not received or postmarked on or before the quarterly due date for payment as such quarterly due date is defined above. All licensees shall pay the quarterly table operation fee commencing April 1, 1995.

D. Prior to the beginning of each quarter, the licensee shall notify the chief of police as to the number of tables to be operated for that new quarter and shall pay to the revenue division the table operation fee accordingly. Upon payment of the quarterly table operation fee, the revenue division shall issue a receipt indicating the number of tables the licensee is permitted for that quarter. In the event that the licensee reduces the number of tables in operation during a quarter, the city shall not rebate any of the previously paid table operation fee for that quarter. In the event that the licensee desires to increase the number of tables in operation during a quarter, the licensee shall pay to the revenue division the additional table operation fee for that entire quarter regardless of when during the quarter the additional table(s) are added.

E. Exempted from this quarterly fee are tables in excess of the number specified on the license and which are used for promotional or tournament play; provided, however, that pursuant to Section 5.32.180(B) or (L) of this chapter, the total number of regular tables and promotional/tournament tables in use shall not exceed that as provided in Section 5.32.180(B) of this chapter. Such promotional or tournament play and the use of such additional tables for such promotions and tournaments shall not exceed four days in any calendar month. The chief of police shall be notified seven days in advance of the promotional or tournament events and shall be notified of the duration and dates of such events.

F. On the denial by the city of an application of a cardroom license, the quarterly table operation fee paid by the applicant or licensee shall be rebated to the applicant or licensee by the revenue division. The rebate shall not be made by the revenue division until the appeal period on the denial has elapsed or, if an appeal is filed, until a final decision upholding the denial has been made and the appeal has become final in the administrative or judicial process, whichever is applicable.

G. If the applicant's or licensee's appeal of the denial is granted, the applicant or licensee shall owe and pay the appropriate table operation fee to the revenue division prior to the issuance of the cardroom license. (Ord. 2006-068 § 1 (part); Ord. 2006-067 § 1 (part); Ord. 2004-018 § 1 (part); prior code § 5.01.003-4)

A. An application for a cardroom license shall be investigated by the city manager who shall obtain recommendations and reports from the chief of police concerning the character of the applicant or any individual listed in Section 5.32.040(A), and any law enforcement problems which the issuance of the license might tend to create, from the planning director concerning the compatibility of the proposed use of the premises with existing zoning regulations and with neighborhood land uses, and from such other sources, including residents and businesses in the area, as the city manager may deem appropriate.

B. The city manager may deny an application for a cardroom license if, in the city manager's opinion, the cardroom is to be located in an area of the city where, or operated under circumstances in which it might tend to create a public nuisance, where the granting of the license would be contrary to the public interest, or issuance of a license to the applicant is, in the opinion of the city manager, contrary to the interests and health, safety and welfare of the city. Only one work permit shall be required each year even though the holder of a work permit may change his or her place of employment within the city. Each cardroom employee shall pay the sums established by resolution of the city council for his or her first permit, and for a permit renewal.

B. A license transfer application may be made to the city manager in the following situations:

- A. A change of location not involving any change in identity of the licensee;
- B. A change in business organization (for example, incorporation of a sole proprietorship or partnership) where there is no change in the identity of the principals holding the license, except where the transfer is made pursuant to subsection C of this section;

- D. An application by a successor in interest to a licensee for the issuance of a license in the successor in interest's name(s), for purposes of operating the same business.

An application for the transfer of a cardroom license made under this section shall be made to the city manager considered and acted upon in the same manner as an application for an original license. An application approved by the city manager under this section shall become effective upon issuance of the applicant's state gambling license. K. Any deviation or change in the rules of any card game or any new card game from that on file with the chief of police shall adhere to all provisions in this title and require the following:

1. A written set of game rules;
2. A letter from the California Division of Gambling Control advising that the game/rules have been reviewed and are legal in the state of California;

L. No person shall operate more card tables than the maximum amount specified on his or her cardroom license except during promotional or tournament play as set forth in Section 5.32.050 of this chapter and upon full compliance with the notification provision contained therein. In no event shall the number of tables operated at one time exceed that as provided in subsection B of this section, including during promotional or tournament play.

M. No person shall operate, at any time, a cardroom without having paid all fees, including the quarterly table operation fee and business operations taxes currently due.

N. Cardrooms may operate twenty-four (24) hours a day, seven days a week.

O. No player shall be permitted to wager or raise a wager more than forty-nine dollars (\$49.00). Should judicial or legislative action alter the restrictions or limitations in the Gambling Control Act, Business and Professions Code section 19800 et seq., to allow for an increase in this wager limit without voter approval, the wager limit shall be increased up to the amount such judicial or legislative action allows, not to exceed one thousand dollars (\$1000.00) per wager, provided, however, that no cardroom may increase its wager limit until it has received from the chief of police prior approval of the cardroom's security plan. No person other than seated players actively participating in the game shall be permitted to place a wager on any card game, and a player shall only place a wager on his or her own card hand. Back-line betting or side-betting is prohibited. The only exception to this is when the chief of police approves a card game whose stated rules include provisions allowing "back-line betting" as noted in subsection D of this section. No player shall be permitted to bet with cash money, markers, or anything other than poker chips. Notice of all the provisions and restrictions provided in this section shall be posted in a conspicuous place in the cardroom. A player in a card game that allows multiple betting spots may, consistent with the rules of the card game, take those multiple bets and before placing them individually may consolidate them into one stack and move the stack forward of the betting spots.

P. No cardroom shall extend credit to any patron in order for the patron to participate in a card game.

For purposes of this section, "associated with" means and includes, but is not limited to, having any financial interest whatsoever in any other cardroom premises (for example, lessor or owner); being a partner; affiliated with the cardroom business in any manner; and/or being an officer, director, stockholder, or otherwise associated with a corporation holding a cardroom license.

B. Not more than nine card tables shall be permitted in any cardroom. A. Whenever it appears to the chief of police that security personnel are necessary to protect the health, safety, welfare or morals of the public, the chief of police shall have the authority to require that a cardroom licensee provide uniformed security personnel on the premises and the parking lot used by the cardroom for its patrons and employees, as a condition of the license. Each license shall have this potential condition specified on its face, or on the reverse side. The chief of police shall determine the necessity for the requirement for security personnel based on the propensity for peace disturbances or criminal activity in the geographic area in which the cardroom is located, based upon criminal activity or peace disturbances on the cardroom premises, based upon the particular time of day, or based upon any other factors which affect the health and safety of the public and cardroom patrons. The chief of police shall notify the licensee, in writing, as to time periods and days of the week during which security is required, the number of security officers required, and the location where such officers are to be provided (whether in the parking lot or on the premises). Upon receiving the written notice of security requirements, the licensee shall conform to those requirements within forty-eight (48) hours of service thereof and shall maintain those requirements in full force and effect until such time as the chief of police deems they are no longer necessary. A licensee may appeal the imposition of conditions imposed in the manner set forth in Section 5.32.100 of this chapter.

B. Between the hours of two a.m. and six a.m., the licensee shall not knowingly permit the consumption of alcoholic beverages on the premises or in the parking lot which the cardroom uses for its patrons.

C. The licensee shall not knowingly permit any obviously intoxicated person to participate in any card game.

D. The licensee shall not knowingly permit any illegal activity to occur on the premises or in the parking lot used by the cardroom for its patrons or employees. Illegal activity includes, but is not limited to, narcotics violations, bookmaking, illegal gambling, loansharking, receiving stolen property, or prostitution.
