Re: June 6, 2013, Meeting

Dear Tribal Leaders:

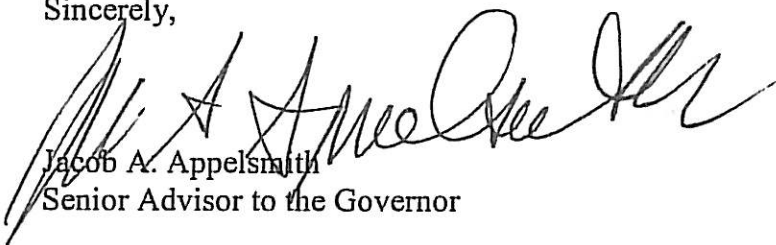

I regret that I must cancel my appearance at the meeting to discuss the 1999 tribal-state gaming compacts scheduled for June 6, 2013, in San Diego. The Governor's compact with the North Fork tribe is up on the Senate floor for a vote that day, and given the nature of the opposition to it, I cannot be away from the Capitol.

This meeting on the compacts is extremely important to the Governor, and I offer the following for your consideration of a new date:

- June 20, 23-27
- July 1-3

I apologize for the inconvenience this has undoubtedly caused many tribal leaders and those who have been involved in the planning of this event, and I hope that one of the above dates works for the tribes. If it does not, please propose other dates.

Sincerely,

Jacob A. Appelsmith
Senior Advisor to the Governor
