RE: S 338

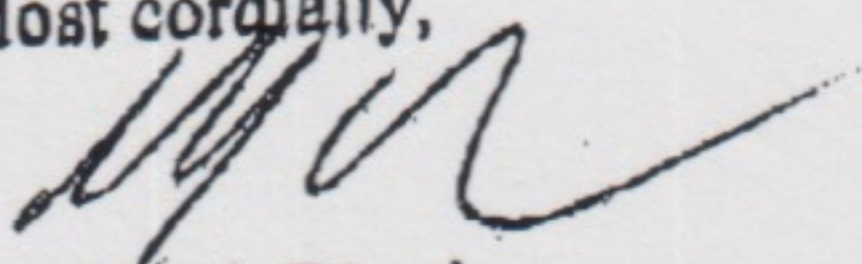

Dear Members of Congress:

On behalf of my client, the Lucky Chances Casino in Colma, California, I would like you to know of our support for S 338 by Senator Diane Feinstein.

This measure will require a two-part determination to be made for the expansion of the gaming facility in San Pablo which is operated by the Litton Band of Pomo Indians. This measure will provide scrutiny by local government over the expansion of tribal casinos which may have a significant impact on local government.

Should you need additional information, do not hesitate to give me a call.

Most cordially,

  
Rodney J. Blonien
