**Re: Request for an Extension of 30 Days
Tejon Non-Gaming ‘Community Center Property’**

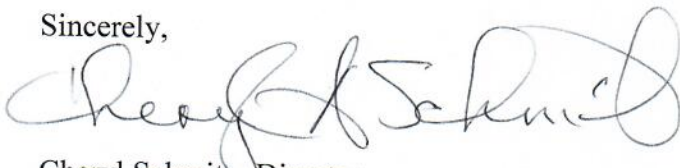

Dear Ms. Dutschke,

Stand Up For California! writes today requesting a 30 day extension of time in order to fully respond to the current notice regarding the Tejon Indian Tribe’s non-gaming acquisition. The property transaction is listed as a ‘community center’.

The Notice is dated April 8, 2019. Stand Up received it on April 12, 2019. Stand Up has a number of Public Acts Requests outstanding with local agencies in Kern County that have not yet responded. The requested documents may provide additional information necessary to the analysis of the potential impacts on local government and the surrounding community of citizens.

We appreciate your consideration of this request.

Sincerely,

Cheryl Schmit – Director
