## NOTICE OF DECISION

CERTIFIED MAIL RECEIPT REQUESTED – 7013 0600 0001 1880 7161

Honorable Jeff Grubbe  
Chairman, Agua Caliente Band of Cahuilla Indians  
5401 Dinah Shore Drive  
Palm Springs, CA 92264

Dear Chairman Grubbe:

This is notice of our decision upon the Agua Caliente Band's application to have the below described real property accepted by the United States of America in trust for the Agua Caliente Band of Cahuilla Indians of the Agua Caliente Indian Reservation, California.

The land referred to herein is situated in the State of California, County of Riverside, and is described as follows:

SECTION 17, TOWNSHIP 5 SOUTH, RANGE 4 EAST, SAN BERNARDINO MERIDIAN, IN THE COUNTY OF RIVERSIDE, STATE OF CALIFORNIA, ACCORDING TO THE OFFICIAL PLAT THEREOF.

686-020-009-3

The subject property consists of one whole section of land, encompassing approximately 640.00 acres more or less, commonly referred to as the "McCammon" property and Assessor's Parcel Number 686-020-009-3. The parcel is contiguous to lands that are held in federal trust for the Agua Caliente Band.

Federal Law authorizes the Secretary of the Interior, or his authorized representative, to acquire title on behalf of the United States of America for the benefit of tribes when such acquisition is authorized by an Act of Congress and (1) when such lands are within the consolidation area; or (2) when the tribe already owns an interest in the land; or (3) when the Secretary determines that the land is necessary to facilitate tribal self-determination, economic development, or tribal housing. In this particular instance, the authorizing Act of Congress is the Indian Land Consolidation of 1983 (25 U.S.C. §

2202). The applicable regulations are set forth in the Code of Federal Regulations (CFR), Title 25, INDIANS, Part 151, as amended. This land acquisition falls within the land acquisition policy as set forth by the Secretary of the Interior.

The Reservation was originally established by Executive Order of May 15, 1876 and Trust Patent dated May 14, 1896.

Pursuant to 25 U.S.C. § 478, the Secretary held such an election for the Tribe on December 15, 1934, at which the majority of the Tribe's voters voted to reject the provisions of the Indian Reorganization Act of June 18, 1934. See *Ten Years of Tribal Government Under I.R.A.*, United States Services, 1947, at Department of the Interior's website at <http://www.doi.gov/library/internet/subject/upload/Haas-TenYears.pdf>. The Secretary's act of calling and holding this election for the Tribe informs us that the Tribe was deemed to be "under Federal jurisdiction" in 1934. The Haas List tribes are considered to be under federal jurisdiction in 1934, See, *Shawano County, Wisconsin v. Acting Midwest Regional Director, BIA*, 53 IBIA 62 (February 28, 2011) and *Stand Up for California, et al. v. U.S. Department of Interior v. North Fork Rancheria of Mono Indians*, 919 F. Supp. 2d 51 (January 29, 2013), the District Court for District of Columbia.

On August 27, 2012, by certified mail, return receipt requested, we issued notice of, and sought comments regarding the proposed fee to trust application from the following: California State Clearinghouse; Sara J. Drake, Deputy Attorney General; Mr. Jacob Appelsmith, Deputy Legal Affairs Secretary; Office of the Honorable Barbara Boxer, United States Senate; Office of the Honorable Dianne Feinstein, United States Senate; Fourth District, Riverside County Board of Supervisors; Office of the Assessor, County of Riverside; Planning Department, County of Riverside; Riverside County Treasurer and Tax Collector; Office of the Mayor, City of Palm Springs; City of Palm Springs Planning Department; Palm Springs Police Department; Palm Springs Fire Department; Augustine Band of Mission Indians; Cabazon Band of Mission Indians; Cahuilla Band of Mission Indians; Morongo Band of Cahuilla Mission Indians; Pechanga Band of Luiseno Indians; Ramona Band of Mission Indians; Santa Rosa Band of Mission Indians; Torres-Martinez Desert Cahuilla Indians; and Soboba Band of Luiseno Indians.

The record reflects that no letters of opposition were received.

Pursuant to 25 CFR 151.10, the following factors were considered in formulating our decision: (1) the need of the tribe for additional land; (2) the purposes for which the land will be used; (3) impact on the State and its political subdivisions resulting from the removal of the land from the tax rolls; (4) jurisdictional problems and potential conflicts of land use which may arise; (5) whether the Bureau of Indian Affairs is equipped to discharge the additional responsibilities resulting from the acquisition of land in trust status; (6) the extent to which the applicant has provided information that allows the Secretary to comply with 516 DM 6, Appendix 4, National Environmental Policy Act Revised Implementing Procedures, and 602 DM 2, Land Acquisitions; Hazardous

Substances Determinations. Accordingly, the following analysis of the application is provided.

**Factor 1 – Need for additional land**

The Agua Caliente Band of Cahuilla Indians has a strong functioning tribal government with many capabilities and a growing economy. The tribal government and the life of its members rely on the highest and best use of its land resources to generate income and opportunities that contribute to tribal self-sufficiency. While the Tribe has moved ahead on its existing land base, it recognizes the need to re-establish its original 31,410- acre land base for development now, or land-banking for development by future generations. The Tribe's goals for this land is (1) preservation and restoration of cultural, natural and scenic values (2) create a strong "sense of place" that reflect the cultural and natural history of the Tribe and (3) create an interpretation of Native American history and culture.

**Factor 2- Proposed Land Use**

Currently, there is no specific land use at this time; however, the Tribe is actively managing lands which contain cultural and natural resources unique to the Tribe and within its Traditional Use Area. There are no immediate plans for utilization changes on this parcel. The parcel is undeveloped, sparsely vegetated and features predominantly steep rocky slopes at elevations ranging from approximately 3,800 feet above mean sea level to approximately 4,900 feet above sea level. These vacant parcels are located south and east of Tahquitz Creek on the eastern slope of the San Jacinto Mountains. There are no roads leading to the subject parcels and the surrounding parcels are also undeveloped. The area of the parcels has been closed to the public since 1980 and they have been patrolled by Tribal rangers since 1998. There is no proposed change in land use anticipated; however, the Tribe is actively managing the land, which contains cultural and natural resources unique to the Tribe. The parcel is within the Tribe's traditional use area with access obtained by aerial survey for this application.

**Factor 3 – Impact on State and Local Government's Tax Base**

Assessed property taxes for 2013-2014:

686-020-009-3 - \$3,250.24

**Factor 4 – Jurisdictional Problems/Potential Conflicts**

The parcel is currently zoned W-2 – Controlled Development Areas. Zoning for the site will not be changed; therefore, no jurisdictional problems are foreseen.

The Tribe does not anticipate any adverse impacts as a result of its intended land use and removal of the property from State and local jurisdiction. However, in the event such adverse impacts are claimed, the Tribe will continue its long standing working

relationship with the local communities and area residents to address any concerns which may arise. The Tribe has in place an excellent working relationship with the community to address and resolve any issues of concern.

**Factor 5 – Whether the BIA is equipped to discharge the additional responsibilities**

The Bureau of Indian Affairs has a trust responsibility for all lands held in trust by the United States for Tribes. This acquisition anticipates the land use will remain the same; therefore, any additional responsibilities resulting from this transaction will be minimal. Accepting the property into trust would not impose any significant additional burdens on the BIA beyond those already inherent in the Federal trust relationship between the BIA and the Tribe. As such, it our determination that the BIA is equipped to provide the trust services that are anticipated by approval of this action.

**Factor 6- The extent to which the applicant has provided information that allows the Secretary to comply with 516 DM6, Appendix 4, National Environmental Policy Act Revised Implementing Procedures, and 602 DM 2, Land Acquisitions; Hazardous Substances Determinations**

In accordance with the Interior Department Policy (602 DM 2), we are charged with the responsibility of conducting a site assessment for the purposes of determining the potential of, and extent of liability from hazardous substances or other environmental remediation or injury. The record includes a negative Phase 1 “Contaminant Survey Checklist” dated January 24, 2014, reflecting that there are no hazardous materials or contaminants.

**National Environmental Policy Act Compliance**

An additional requirement which must be met when considering land acquisition proposals is the impact upon the human environment pursuant to the criteria of the National Environmental Policy Act of 1969 (NEPA). The BIA’s guidelines for NEPA compliance are set forth in NEPA Handbook 59 IAM 3. The proposed action herein has been determined not to require the preparation of either an Environmental Assessment (EA) or an Environmental Impact Statement (EIS). A Categorical Exclusion requires a qualifying action in this case, 516 DM 10.5I, Land Conveyance and Other Transfers, where no immediate change in land use is planned. A Categorical Exclusion for the acquisition for the subject property was approved by this Agency on December 1, 2008, and compliance with NEPA has been completed.

**Conclusion**

Based on the foregoing, we at this time issue notice of our intent **to accept** the subject real property into trust. The subject acquisition will vest title in the United States of America in trust for the Agua Caliente Band of Cahuilla Indians of the Agua Caliente

Indian Reservation, California, in accordance with the Indian Land Consolidation Act of January 12, 1983 (25 U.S.C. § 2202).

If any party receiving this notice is aware of additional governmental entities that may be affected by the subject acquisition, please forward a copy of this notice to said party or timely provide our office with the name and address of said party.

Sincerely,

Regional Director

§4.310

state specifically and concisely the grounds upon which it is based.

(b) *Notice; burden of proof.* The OHA deciding official will, upon receipt of a demand for hearing, set a time and place therefor and must mail notice thereof to all parties in interest not less than 30 days in advance; provided, however, that such date must be set after the expiration of the 60-day period fixed for the filing of the demand for hearing as provided in §4.305(a). At the hearing, each party challenging the tribe's claim to purchase the interests in question or the valuation of the interests as set forth in the valuation report will have the burden of proving his or her position.

(c) *Decision after hearing; appeal.* Upon conclusion of the hearing, the OHA deciding official will issue a decision which determines all of the issues including, but not limited to, a judgment establishing the fair market value of the interests purchased by the tribe, including any adjustment thereof made necessary by the surviving spouse's decision to reserve a life estate in one-half of the interests. The decision must specify the right of appeal to the Board of Indian Appeals within 60 days from the date of the decision in accordance with §§4.310 through 4.323. The OHA deciding official must lodge the complete record relating to the demand for hearing with the title plant as provided in §4.236(b), furnish a duplicate record thereof to the Superintendent, and mail a notice of such action together with a copy of the decision to each party in interest.

§4.306 *Time for payment.*

A tribe must pay the full fair market value of the interests purchased, as set forth in the valuation report or as determined after hearing in accordance with §4.305, whichever is applicable, within 2 years from the date of decedent's death or within 1 year from the date of notice of purchase, whichever comes later.

§4.307 *Title.*

Upon payment by the tribe of the interests purchased, the Superintendent must issue a certificate to the OHA deciding official that this has been done and file therewith such documents in

support thereof as the OHA deciding official may require. The OHA deciding official will then issue an order that the United States holds title to such interests in trust for the tribe, lodge the complete record, including the decision, with the title plant as provided in §4.236(b), furnish a duplicate record thereof to the Superintendent, and mail a notice of such action together with a copy of the decision to each party in interest.

§4.308 *Disposition of income.*

During the pendency of the probate and up to the date of transfer of title to the United States in trust for the tribe in accordance with §4.307, all income received or accrued from the land interests purchased by the tribe will be credited to the estate.

GENERAL RULES APPLICABLE TO PROCEEDINGS ON APPEAL BEFORE THE INTERIOR BOARD OF INDIAN APPEALS

SOURCE: 66 FR 67656, Dec. 31, 2001, unless otherwise noted.

§4.310 *Documents.*

(a) *Filing.* The effective date for filing a notice of appeal or other document with the Board during the course of an appeal is the date of mailing or the date of personal delivery, except that a motion for the Board to assume jurisdiction over an appeal under 25 CFR 2.20(e) will be effective the date it is received by the Board.

(b) *Service.* Notices of appeal and pleadings must be served on all parties in interest in any proceeding before the Interior Board of Indian Appeals by the party filing the notice or pleading with the Board. Service must be accomplished upon personal delivery or mailing. Where a party is represented in an appeal by an attorney or other representative authorized under 43 CFR 1.3, service of any document on the attorney or representative is service on the party. Where a party is represented by more than one attorney, service on any one attorney is sufficient. The certificate of service on an attorney or

representative must include the name of the party whom the attorney or representative represents and indicate that service was made on the attorney or representative.

(c) *Computation of time for filing and service.* Except as otherwise provided by law, in computing any period of time prescribed for filing and serving a document, the day upon which the decision or document to be appealed or answered was served or the day of any other event after which a designated period of time begins to run is not to be included. The last day of the period so computed is to be included, unless it is a Saturday, Sunday, Federal legal holiday, or other nonbusiness day, in which event the period runs until the end of the next day which is not a Saturday, Sunday, Federal legal holiday, or other nonbusiness day. When the time prescribed or allowed is 7 days or less, intermediate Saturdays, Sundays, Federal legal holidays, and other nonbusiness days are excluded in the computation.

(d) *Extensions of time.* (1) The time for filing or serving any document except a notice of appeal may be extended by the Board.

(2) A request to the Board for an extension of time must be filed within the time originally allowed for filing.

(3) For good cause the Board may grant an extension of time on its own initiative.

(e) *Retention of documents.* All documents received in evidence at a hearing or submitted for the record in any proceeding before the Board will be retained with the official record of the proceeding. The Board, in its discretion, may permit the withdrawal of original documents while a case is pending or after a decision becomes final upon conditions as required by the Board.

**§4.311 Briefs on appeal.**

(a) The appellant may file an opening brief within 30 days after receipt of the notice of docketing. Appellant must serve copies of the opening brief upon all interested parties or counsel and file a certificate with the Board showing service upon the named parties. Opposing parties or counsel will have 30 days from receipt of appellant's brief

to file answer briefs, copies of which must be served upon the appellant or counsel and all other parties in interest. A certificate showing service of the answer brief upon all parties or counsel must be attached to the answer filed with the Board.

(b) Appellant may reply to an answering brief within 15 days from its receipt. A certificate showing service of the reply brief upon all parties or counsel must be attached to the reply filed with the Board. Except by special permission of the Board, no other briefs will be allowed on appeal.

(c) The BIA is considered an interested party in any proceeding before the Board. The Board may request that the BIA submit a brief in any case before the Board.

(d) An original only of each document should be filed with the Board. Documents should not be bound along the side.

(e) The Board may also specify a date on or before which a brief is due. Unless expedited briefing has been granted, such date may not be less than the appropriate period of time established in this section.

**§4.312 Decisions.**

Decisions of the Board will be made in writing and will set forth findings of fact and conclusions of law. The decision may adopt, modify, reverse or set aside any proposed finding, conclusion, or order of a BIA official or an OHA deciding official. Distribution of decisions must be made by the Board to all parties concerned. Unless otherwise stated in the decision, rulings by the Board are final for the Department and must be given immediate effect.

**§4.313 Amicus Curiae; intervention; joinder motions.**

(a) Any interested person or Indian tribe desiring to intervene or to join other parties or to appear as amicus curiae or to obtain an order in an appeal before the Board must apply in writing to the Board stating the grounds for the action sought. Permission to intervene, to join parties, to appear, or for other relief, may be granted for purposes and subject to limitations established by the Board. This section will be liberally construed.

(b) Motions to intervene, to appear as *amicus curiae*, to join additional parties, or to obtain an order in an appeal pending before the Board must be served in the same manner as appeal briefs.

**§4.314 Exhaustion of administrative remedies.**

(a) No decision of an OHA deciding official or a BIA official, which at the time of its rendition is subject to appeal to the Board, will be considered final so as to constitute agency action subject to judicial review under 5 U.S.C. 704, unless made effective pending decision on appeal by order of the Board.

(b) No further appeal will lie within the Department from a decision of the Board.

(c) The filing of a petition for reconsideration is not required to exhaust administrative remedies.

**§4.315 Reconsideration.**

(a) Reconsideration of a decision of the Board will be granted only in extraordinary circumstances. Any party to the decision may petition for reconsideration. The petition must be filed with the Board within 30 days from the date of the decision and must contain a detailed statement of the reasons why reconsideration should be granted.

(b) A party may file only one petition for reconsideration.

(c) The filing of a petition will not stay the effect of any decision or order and will not affect the finality of any decision or order for purposes of judicial review, unless so ordered by the Board.

**§4.316 Remands from courts.**

Whenever any matter is remanded from any federal court to the Board for further proceedings, the Board will either remand the matter to an OHA deciding official or to the BIA, or to the extent the court's directive and time limitations will permit, the parties will be allowed an opportunity to submit to the Board a report recommending procedures for it to follow to comply with the court's order. The Board will enter special orders governing matters on remand.

**§4.317 Standards of conduct.**

(a) *Inquiries about cases.* All inquiries with respect to any matter pending before the Board must be made to the Chief Administrative Judge of the Board or the administrative judge assigned the matter.

(b) *Disqualification.* An administrative judge may withdraw from a case in accordance with standards found in the recognized canons of judicial ethics if the judge deems such action appropriate. If, prior to a decision of the Board, a party files an affidavit of personal bias or disqualification with substantiating facts, and the administrative judge concerned does not withdraw, the Director of the Office of Hearings and Appeals will determine the matter of disqualification.

**§4.318 Scope of review.**

An appeal will be limited to those issues which were before the OHA deciding official upon the petition for rehearing, reopening, or regarding tribal purchase of interests, or before the BIA official on review. However, except as specifically limited in this part or in title 25 of the Code of Federal Regulations, the Board will not be limited in its scope of review and may exercise the inherent authority of the Secretary to correct a manifest injustice or error where appropriate.

(b) In accordance with 25 CFR 2.20(c) a notice of appeal shall not be effective for 20 days from receipt by the Board, during which time the Assistant Secretary—Indian Affairs may decide to review the appeal. If the Assistant Secretary—Indian Affairs properly notifies the Board that he has decided to review the appeal, any documents concerning the case filed with the Board shall be transmitted to the Assistant Secretary—Indian Affairs.

(c) When the appellant is an Indian or Indian tribe not represented by counsel, the official who issued the decision appealed shall, upon request of the appellant, render such assistance as is appropriate in the preparation of the appeal.

All hearings shall be conducted by an administrative law judge of the Office of Hearings and Appeals. The Board may, in its discretion, grant oral argument before the Board.
