EXCEPT THEREFROM THAT PORTION LYING WITHIN PARCEL 3 ABOVE.

The subject property consists of three parcels commonly referred to as Assessor's Parcel Numbers 330-070-08, 330-070-22, and 330-080-23. The parcels are contiguous to the Barona Reservation. The land is currently vacant, although a residence was located on the parcel until 2003, when it was destroyed by a Cedar Fire. There is no proposed change in land use.

Federal Law authorizes the Secretary of the Interior, or his authorized representative, to acquire title on behalf of the United States of America for the benefit of tribes when such acquisition is authorized by an Act of Congress and (1) when such lands are within the consolidation area; or (2) when the tribe already owns an interest in the land; or (3) when the Secretary determines that the land is necessary to facilitate tribal self-determination, economic development, or tribal housing. In this particular instance, the authorizing Act of Congress is the Indian Land Consolidation of 1983 (25 U.S.C. § 2202). The applicable regulations are set forth in the Code of Federal Regulations (CFR), Title 25, INDIANS, Part 151, as amended. This land acquisition falls within the land acquisition policy as set forth by the Secretary of the Interior.

On November 4, 2009 by certified mail, return receipt requested, we issued notice of and sought comments regarding the proposed fee-to-trust application from the California State Clearinghouse, Office of Planning and Research; Ms. Andrea Lynn Hoch, Legal Affairs Secretary, Office of the Governor; Sara Drake, Deputy Attorney General, State of California; James Peterson, District Director, Office of the Honorable Senator Diane Feinstein; U.S. House of Representatives, 52nd District; San Diego County Assessor; San Diego County Treasurer and Tax Collector; County of San Diego, Office of the Chief Administrative Officer; San Diego County Sheriff's Department; Campo Band of Mission Indians; Ewiiapaayp Band of Kumeyaay Indians; Inaja-Cosmit Band of Mission Indians; Jamul Indian Village; La Jolla Band of Luiseno Indians; La Posta Band of Mission Indians; Los Coyotes Band of Cahuilla & Cupeno Indians; Manzanita Band of Mission Indians; Mesa Grande Band of Mission Indians; Pala Band of Mission Indians; Pauma Band of Mission Indians; Rincon Band of Mission Indians; San Pasqual Band of Mission Indians; Santa Ysabel Band of Mission Indians; Sycuan Band; and the Viejas Band of Mission Indians.

In response to our notification, we received the following comments:

- 1. Letter dated March 18, 2010 from the County of San Diego, Assessor/Recorder/County Clerk providing information on the assessed value and property tax information on the subject property.**

By letter dated February 5, 2013, the Barona Band's response is as follows:

- The loss of tax revenue amounts to approximately \$6,506.90 per year. This loss is offset by the Tribe's provision of emergency services to the subject property. The Barona Fire Protection District provides fire and emergency services to the Barona Reservation. In addition, Barona contracts with the San Diego County Sheriff's Office for a resident deputy sheriff to supplement their tribal law enforcement services, a cost far greater than the \$6,506.90 per year. Barona also operates a charter school, and donates quite heavily to local schools.*
- 2. Letter dated March 26, 2010 from the California Regional Water Quality Control Board stating that they had no objections to the proposed acquisition, provided that the land would remain subject to federal water quality codes and regulations, as overseen by the USEPA.**
 - 3. Letter dated May 7, 2010 from the Office of the Governor, State of California stating the following:**
 - Only one of the parcels in this application is contiguous to the reservation.**
 - The Band Has Failed to Provide Sufficient Demonstration of Necessity or Need as Required by 25 C.F.R. §§ 151.3(a)(3), 151.10(b).**

- ***The U.S. Government holds in a joint trust for the Viejas Band of Kumeyaay Indians and the Barona Band an additional 15,000 acres.***
- ***The Notice Does Not Adequately Evaluate Potential Impacts to the State's Political Subdivisions or Potential Land Use Conflicts. (25 C.F.R. § 151.10(e) & (f) and 25 C.F.R. §151.11(b) and (d).***

By letter dated February 5, 2013, the Barona Band's response is as follows:

- *All parcels are contiguous to the reservation and included a map indicating the location of the parcels.*
- *The trust application includes a reference to the Tribe's increased population: "When Barona moved to its current location in 1932, there were 59 tribal members. The Tribe now has 461 enrolled members. It is the Tribe's desire to ensure that all current and future tribal members have accessibility to home sites, to allow those individuals who so desire, to live among their people in a semi-rural setting." There is a demonstrated need for additional land.*
- *This is apparently referring to the Capital Grande Reservation. The remaining remnants of the Capitan Grande Reservation are uninhabited. The Baron Group relocated to their current reservation in 1932, after the U.S. Government sold their homeland to the City of San Diego to construct a reservoir.*
- *There are no land use conflicts. This property is zoned for housing. The Tribe has no immediate plans to build on the property, but would like to preserve this land for housing for future generations to ensure that all tribal members can live peacefully on their reservation land.*

Pursuant to 25 CFR 151.10, the following factors were considered in formulating our decision: (1) the need of the tribe for additional land; (2) the purposes for which the land will be used; (3) impact on the State and its political subdivisions resulting from the removal of the land from the tax rolls; (4) jurisdictional problems and potential conflicts of land use which may arise; (5) whether the Bureau of Indian Affairs is equipped to discharge the additional responsibilities resulting from the acquisition of land in trust status; (6) the extent to which the applicant has provided information that allows the Secretary to comply with 516 DM 6, appendix 4, National Environmental Policy Act Revised Implementing Procedures, and 602 DM 2, Land Acquisitions; Hazardous Substances Determinations. Accordingly, the following analysis of the application is provided.

Factor 1 - Need for Additional Land

Barona presents two reasons for its need of additional land: 1) The tribe is growing and at some point in time will need additional land to provide for its members; and 2) This parcel is inaccessible without crossing tribal lands. Each of the issues is addressed below.

- 1) When Barona moved to its current location in 1932, there were 59 tribal members. The Tribe now has 461 enrolled members. It is the Tribe's desire to ensure that all current and future tribal members have accessibility to home sites, to allow those individuals who so desire, to live among their people in a semi-rural setting.
- 2) Wildcat Canyon Road, which becomes Barona Road at the reservation boundaries, provides accessibility to the San Diego Country Estates, a housing development in Ramona, north of the Barona Indian Reservation. As traffic on this road increases, its desirability for home sites decreases. Barona therefore wishes to acquire land away from the road to provide a peaceful setting for its members to live.
- 3) This parcel of land is inaccessible without crossing tribal land. If Barona did not purchase this land, it must either allow non-tribal members access to its land to reach this parcel, or prevent the owners from accessing their land. The Tribe does not relish either of these options. It therefore chose to purchase the parcel when it became available.

An Executive Order of December 27, 1875 set aside land for this Reservation and Executive Order of May 3, 1877 and May 15, 1976 restored portions to public domain. An Act of May 27, 1902 appropriated \$100,000.00 for purchase of land in Southern California for Mission Indians (32 Stat. 257 c. 888). Executive Order of June 19, 1883 set apart certain lands for this reservation.

It is our determination that the Barona Band has established a need for additional lands to protect the environment and preserve the reservation.

Factor 2 - Proposed Land Use

The property is currently vacant, although a residence was located on the parcel until 2003, when it was destroyed by a Cedar Fire. Barona has no plans to change the use of this land.

Factor 3 – Impact on State and Local Government's Tax Base

This parcel has very little impact on the state and its political subdivisions. The land will not be used for any commercial purposes, it is therefore not expected to increase traffic or police protection. The Tribe provides fire protection, emergency medical services and a tribal security force. In addition, the Tribe contracts with the County of San Diego for a County Sheriff to be stationed on the Barona Indian Reservation. By extending tribal services to this parcel, it has a positive impact on the County of San Diego wherein the parcel is located.

Parcels accepted into federal trust status are exempt from taxation and would be removed from the County's taxing jurisdiction. The only impact that will be the County's loss of property taxes in the amount of \$6,506.90 per year, which is offset by the Tribe's provision of emergency services. During the comment period, County of San

Diego, Assessor's Office submitted documentation regarding the amount of lost revenue if the parcels are taken into trust. The Tribe responded to the comments in letter dated February 5, 2013, stating this loss is offset, by the Tribe's provision of emergency services to the property.

It is our determination that no significant impact will result from the removal of this property from the county tax rolls given the relatively small amount of tax revenue assessed on the subject parcel and the financial contributions provided to the local community by the Tribe through employment and purchases of goods and services.

Factor 4 - Jurisdictional Problems and Potential Conflicts of Land Use Which May Arise

The land presently is subject to the full civil/regulatory and criminal/prohibitory jurisdiction of the State of California and San Diego County. Once the land is accepted into trust and becomes part of the Reservation, the State of California will have the same territorial and adjudicatory jurisdiction over the land, persons and transactions on the land as the State has over other Indian counties within the State. Under 18 U.S.C. § 1162 and 28 U.S.C. § 1360 (P.L. 83-280), except as otherwise expressly provided in those statutes, the State of California would retain jurisdiction to enforce its criminal/prohibitory law against all persons and conduct occurring on the land. The Barona Indian Reservation will continue to provide fire protection, emergency medical services and a tribal security force.

There are no land use conflicts. The Tribe has no plans to develop this parcel. The land is zoned for limited agriculture and one house per every four acres. Due to the topography of the land, and the desire of the Tribe to keep this area rural, even if it were to use this land for home sites, it is not anticipated that the land use would conflict with current zoning.

Factor 5 - Whether the Bureau of Indian Affairs is equipped to discharge the additional responsibilities resulting from the acquisition of the land in trust status

Acceptance of the acquired land into Federal trust status should not impose any additional responsibilities or burdens on the BIA beyond those already inherent in the Federal trusteeship over the existing Barona Reservation. This acquisition anticipates no change in land use; and therefore, any additional responsibilities resulting from this transaction will be minimal.

Factor 6 – The extent to which the applicant has provided information that allows the Secretary to comply with 516 DM 1-7, National Environmental Policy Act Revised Implementing Procedures, and 602 DM 2, Land Acquisitions: Hazardous Substances Determination

In accordance with Interior Department Policy (602 DM 2), we are charged with the responsibility of conducting a site assessment for the purposes of determining the potential of, and extent of liability from hazardous substances or other environmental

remediation or injury. The record includes a negative Phase 1 "Contaminant Survey Checklist" dated May 21, 2012, reflecting that there were no hazardous materials or contaminants.

National Environmental Policy Act Compliance

An additional requirement that has to be met when considering land acquisition proposals is the impact upon the human environment pursuant to the criteria of the National Environmental Policy Act of 1969 (NEPA). The BIA's guidelines for NEPA compliance are set forth in the Bureau of Indian Affairs Manual (59 IAM). The proposed action herein has been determined not to require the preparation of either an Environmental Assessment (EA) or an Environmental Impact Statement (EIS). A Categorical Exclusion requires a qualifying action in this case, 516 DM 10.5I, Land Conveyance and Other Transfers, where no immediate change in land use is planned. A Categorical Exclusion for the acquisition for the subject property was approved by this Agency on August 2, 2012, and compliance with NEPA has been completed.

Conclusion

Based on the foregoing, we at this time issue notice of our intent to accept the subject real property into trust. The subject acquisition will vest title in the United States of America in trust for the Barona Group of the Capitan Grande Band of Mission Indians of the Barona Reservation, California in accordance with the Indian Land Consolidation Act of January 12, 1983, (25 U.S.C. §2202).

§ 4.310

state specifically and concisely the grounds upon which it is based.

(b) *Notice; burden of proof.* The OHA deciding official will, upon receipt of a demand for hearing, set a time and place therefor and must mail notice thereof to all parties in interest not less than 30 days in advance; provided, however, that such date must be set after the expiration of the 60-day period fixed for the filing of the demand for hearing as provided in § 4.305(a). At the hearing, each party challenging the tribe's claim to purchase the interests in question or the valuation of the interests as set forth in the valuation report will have the burden of proving his or her position.

(c) *Decision after hearing; appeal.* Upon conclusion of the hearing, the OHA deciding official will issue a decision which determines all of the issues including, but not limited to, a judgment establishing the fair market value of the interests purchased by the tribe, including any adjustment thereof made necessary by the surviving spouse's decision to reserve a life estate in one-half of the interests. The decision must specify the right of appeal to the Board of Indian Appeals within 60 days from the date of the decision in accordance with §§ 4.310 through 4.323. The OHA deciding official must lodge the complete record relating to the demand for hearing with the title plant as provided in § 4.236(b), furnish a duplicate record thereof to the Superintendent, and mail a notice of such action together with a copy of the decision to each party in interest.

§ 4.306 Time for payment.

A tribe must pay the full fair market value of the interests purchased, as set forth in the valuation report or as determined after hearing in accordance with § 4.305, whichever is applicable, within 2 years from the date of decedent's death or within 1 year from the date of notice of purchase, whichever comes later.

§ 4.307 Title.

Upon payment by the tribe of the interests purchased, the Superintendent must issue a certificate to the OHA deciding official that this has been done and file therewith such documents in

support thereof as the OHA deciding official may require. The OHA deciding official will then issue an order that the United States holds title to such interests in trust for the tribe, lodge the complete record, including the decision, with the title plant as provided in § 4.236(b), furnish a duplicate record thereof to the Superintendent, and mail a notice of such action together with a copy of the decision to each party in interest.

§ 4.308 Disposition of income.

During the pendency of the probate and up to the date of transfer of title to the United States in trust for the tribe in accordance with § 4.307, all income received or accrued from the land interests purchased by the tribe will be credited to the estate.

GENERAL RULES APPLICABLE TO PROCEEDINGS ON APPEAL BEFORE THE INTERIOR BOARD OF INDIAN APPEALS

SOURCE: 66 FR 67656, Dec. 31, 2001, unless otherwise noted.

§ 4.310 Documents.

(a) *Filing.* The effective date for filing a notice of appeal or other document with the Board during the course of an appeal is the date of mailing or the date of personal delivery, except that a motion for the Board to assume jurisdiction over an appeal under 25 CFR 2.20(e) will be effective the date it is received by the Board.

(b) *Service.* Notices of appeal and pleadings must be served on all parties in interest in any proceeding before the Interior Board of Indian Appeals by the party filing the notice or pleading with the Board. Service must be accomplished upon personal delivery or mailing. Where a party is represented in an appeal by an attorney or other representative authorized under 43 CFR 1.3, service of any document on the attorney or representative is service on the party. Where a party is represented by more than one attorney, service on any one attorney is sufficient. The certificate of service on an attorney or

representative must include the name of the party whom the attorney or representative represents and indicate that service was made on the attorney or representative.

(c) *Computation of time for filing and service.* Except as otherwise provided by law, in computing any period of time prescribed for filing and serving a document, the day upon which the decision or document to be appealed or answered was served or the day of any other event after which a designated period of time begins to run is not to be included. The last day of the period so computed is to be included, unless it is a Saturday, Sunday, Federal legal holiday, or other nonbusiness day, in which event the period runs until the end of the next day which is not a Saturday, Sunday, Federal legal holiday, or other nonbusiness day. When the time prescribed or allowed is 7 days or less, intermediate Saturdays, Sundays, Federal legal holidays, and other nonbusiness days are excluded in the computation.

(d) *Extensions of time.* (1) The time for filing or serving any document except a notice of appeal may be extended by the Board.

(2) A request to the Board for an extension of time must be filed within the time originally allowed for filing.

(3) For good cause the Board may grant an extension of time on its own initiative.

(e) *Retention of documents.* All documents received in evidence at a hearing or submitted for the record in any proceeding before the Board will be retained with the official record of the proceeding. The Board, in its discretion, may permit the withdrawal of original documents while a case is pending or after a decision becomes final upon conditions as required by the Board.

§ 4.311 Briefs on appeal.

(a) The appellant may file an opening brief within 30 days after receipt of the notice of docketing. Appellant must serve copies of the opening brief upon all interested parties or counsel and file a certificate with the Board showing service upon the named parties. Opposing parties or counsel will have 30 days from receipt of appellant's brief

to file answer briefs, copies of which must be served upon the appellant or counsel and all other parties in interest. A certificate showing service of the answer brief upon all parties or counsel must be attached to the answer filed with the Board.

(b) Appellant may reply to an answering brief within 15 days from its receipt. A certificate showing service of the reply brief upon all parties or counsel must be attached to the reply filed with the Board. Except by special permission of the Board, no other briefs will be allowed on appeal.

(c) The BIA is considered an interested party in any proceeding before the Board. The Board may request that the BIA submit a brief in any case before the Board.

(d) An original only of each document should be filed with the Board. Documents should not be bound along the side.

(e) The Board may also specify a date on or before which a brief is due. Unless expedited briefing has been granted, such date may not be less than the appropriate period of time established in this section.

§ 4.312 Decisions.

Decisions of the Board will be made in writing and will set forth findings of fact and conclusions of law. The decision may adopt, modify, reverse or set aside any proposed finding, conclusion, or order of a BIA official or an OHA deciding official. Distribution of decisions must be made by the Board to all parties concerned. Unless otherwise stated in the decision, rulings by the Board are final for the Department and must be given immediate effect.

§ 4.313 Amicus Curiae; intervention; joinder motions.

(a) Any interested person or Indian tribe desiring to intervene or to join other parties or to appear as amicus curiae or to obtain an order in an appeal before the Board must apply in writing to the Board stating the grounds for the action sought. Permission to intervene, to join parties, to appear, or for other relief, may be granted for purposes and subject to limitations established by the Board. This section will be liberally construed.

(b) Motions to intervene, to appear as amicus curiae, to join additional parties, or to obtain an order in an appeal pending before the Board must be served in the same manner as appeal briefs.

§ 4.314 Exhaustion of administrative remedies.

(a) No decision of an OHA deciding official or a BIA official, which at the time of its rendition is subject to appeal to the Board, will be considered final so as to constitute agency action subject to judicial review under 5 U.S.C. 704, unless made effective pending decision on appeal by order of the Board.

(b) No further appeal will lie within the Department from a decision of the Board.

(c) The filing of a petition for reconsideration is not required to exhaust administrative remedies.

§ 4.315 Reconsideration.

(a) Reconsideration of a decision of the Board will be granted only in extraordinary circumstances. Any party to the decision may petition for reconsideration. The petition must be filed with the Board within 30 days from the date of the decision and must contain a detailed statement of the reasons why reconsideration should be granted.

(b) A party may file only one petition for reconsideration.

(c) The filing of a petition will not stay the effect of any decision or order and will not affect the finality of any decision or order for purposes of judicial review, unless so ordered by the Board.

§ 4.316 Remands from courts.

Whenever any matter is remanded from any federal court to the Board for further proceedings, the Board will either remand the matter to an OHA deciding official or to the BIA, or to the extent the court's directive and time limitations will permit, the parties will be allowed an opportunity to submit to the Board a report recommending procedures for it to follow to comply with the court's order. The Board will enter special orders governing matters on remand.

§ 4.317 Standards of conduct.

(a) *Inquiries about cases.* All inquiries with respect to any matter pending before the Board must be made to the Chief Administrative Judge of the Board or the administrative judge assigned the matter.

(b) *Disqualification.* An administrative judge may withdraw from a case in accordance with standards found in the recognized canons of judicial ethics if the judge deems such action appropriate. If, prior to a decision of the Board, a party files an affidavit of personal bias or disqualification with substantiating facts, and the administrative judge concerned does not withdraw, the Director of the Office of Hearings and Appeals will determine the matter of disqualification.

§ 4.318 Scope of review.

An appeal will be limited to those issues which were before the OHA deciding official upon the petition for rehearing, reopening, or regarding tribal purchase of interests, or before the BIA official on review. However, except as specifically limited in this part or in title 25 of the Code of Federal Regulations, the Board will not be limited in its scope of review and may exercise the inherent authority of the Secretary to correct a manifest injustice or error where appropriate.

SOURCE: 54 FR 6487, Feb. 10, 1989, unless otherwise noted.

§ 4.330 Scope.

(a) The definitions set forth in 25 CFR 2.2 apply also to these special rules. These regulations apply to the practice and procedure for: (1) Appeals to the Board of Indian Appeals from administrative actions or decisions of officials of the Bureau of Indian Affairs issued under regulations in 25 CFR chapter 1, and (2) administrative review by the Board of Indian Appeals of other matters pertaining to Indians which are referred to it for exercise of review authority of the Secretary or the Assistant Secretary—Indian Affairs.

(b) Except as otherwise permitted by the Secretary or the Assistant Secretary—Indian Affairs by special delegation or request, the Board shall not adjudicate:

- (1) Tribal enrollment disputes;

(2) Matters decided by the Bureau of Indian Affairs through exercise of its discretionary authority; or

(3) Appeals from decisions pertaining to final recommendations or actions by officials of the Minerals Management Service, unless the decision is based on an interpretation of Federal Indian law (decisions not so based which arise from determinations of the Minerals Management Service, are appealable to the Interior Board of Land Appeals in accordance with 43 CFR 4.410).

§ 4.331 Who may appeal.

Any interested party affected by a final administrative action or decision of an official of the Bureau of Indian Affairs issued under regulations in title 25 of the Code of Federal Regulations may appeal to the Board of Indian Appeals, except—

(a) To the extent that decisions which are subject to appeal to a higher official within the Bureau of Indian Affairs must first be appealed to that official;

(b) Where the decision has been approved in writing by the Secretary or Assistant Secretary—Indian Affairs prior to promulgation; or

(c) Where otherwise provided by law or regulation.

§ 4.332 Appeal to the Board; how taken; mandatory time for filing; preparation assistance; requirement for bond.

(a) A notice of appeal shall be in writing, signed by the appellant or by his attorney of record or other qualified representative as provided by 43 CFR 1.3, and filed with the Board of Indian Appeals, Office of Hearings and Appeals, U.S. Department of the Interior, 801 North Quincy Street, Arlington, Virginia 22203, within 30 days after receipt by the appellant of the decision from which the appeal is taken. A copy of the notice of appeal shall simultaneously be filed with the Assistant Secretary—Indian Affairs. As required by § 4.333 of this part, the notice of appeal sent to the Board shall certify that a copy has been sent to the Assistant Secretary—Indian Affairs. A notice of appeal not timely filed shall be dismissed for lack of jurisdiction. A notice of appeal shall include:

(1) A full identification of the case;

(2) A statement of the reasons for the appeal and of the relief sought; and

(3) The names and addresses of all additional interested parties, Indian tribes, tribal corporations, or groups having rights or privileges which may be affected by a change in the decision, whether or not they participated as interested parties in the earlier proceedings.

(b) In accordance with 25 CFR 2.20(c) a notice of appeal shall not be effective for 20 days from receipt by the Board, during which time the Assistant Secretary—Indian Affairs may decide to review the appeal. If the Assistant Secretary—Indian Affairs properly notifies the Board that he has decided to review the appeal, any documents concerning the case filed with the Board shall be transmitted to the Assistant Secretary—Indian Affairs.

(c) When the appellant is an Indian or Indian tribe not represented by counsel, the official who issued the decision appealed shall, upon request of the appellant, render such assistance as is appropriate in the preparation of the appeal.

(d) At any time during the pendency of an appeal, an appropriate bond may be required to protect the interest of any Indian, Indian tribe, or other parties involved.

[54 FR 6487, Feb. 10, 1989, as amended at 67 FR 4368, Jan. 30, 2002]

§ 4.333 Service of notice of appeal.

(a) On or before the date of filing of the notice of appeal the appellant shall serve a copy of the notice upon each known interested party, upon the official of the Bureau of Indian Affairs from whose decision the appeal is taken, and upon the Assistant Secretary—Indian Affairs. The notice of appeal filed with the Board shall certify that service was made as required by this section and shall show the names and addresses of all parties served. If the appellant is an Indian or an Indian tribe not represented by counsel, the appellant may request the official of the Bureau whose decision is appealed to assist in service of copies of the notice of appeal and any supporting documents.

§ 4.334

(b) The notice of appeal will be considered to have been served upon the date of personal service or mailing.

§ 4.334 Extensions of time.

Requests for extensions of time to file documents may be granted upon a showing of good cause, except for the time fixed for filing a notice of appeal which, as specified in § 4.332 of this part, may not be extended.

§ 4.335 Preparation and transmittal of record by official of the Bureau of Indian Affairs.

(a) Within 20 days after receipt of a notice of appeal, or upon notice from the Board, the official of the Bureau of Indian Affairs whose decision is appealed shall assemble and transmit the record to the Board. The record on appeal shall include, without limitation, copies of transcripts of testimony taken; all original documents, petitions, or applications by which the proceeding was initiated; all supplemental documents which set forth claims of interested parties; and all documents upon which all previous decisions were based.

(b) The administrative record shall include a Table of Contents noting, at a minimum, inclusion of the following:

- (1) The decision appealed from;
- (2) The notice of appeal or copy thereof; and
- (3) Certification that the record contains all information and documents utilized by the deciding official in rendering the decision appealed.

(c) If the deciding official receives notification that the Assistant Secretary—Indian Affairs has decided to review the appeal before the administrative record is transmitted to the Board, the administrative record shall be forwarded to the Assistant Secretary—Indian Affairs rather than to the Board.

§ 4.336 Docketing.

An appeal shall be assigned a docket number by the Board 20 days after receipt of the notice of appeal unless the Board has been properly notified that the Assistant Secretary—Indian Affairs has assumed jurisdiction over the appeal. A notice of docketing shall be sent to all interested parties as shown

43 CFR Subtitle A (10-1-03 Edition)

by the record on appeal upon receipt of the administrative record. Any objection to the record as constituted shall be filed with the Board within 15 days of receipt of the notice of docketing. The docketing notice shall specify the time within which briefs shall be filed, cite the procedural regulations governing the appeal and include a copy of the Table of Contents furnished by the deciding official.

§ 4.337 Action by the Board.

(a) The Board may make a final decision, or where the record indicates a need for further inquiry to resolve a genuine issue of material fact, the Board may require a hearing. All hearings shall be conducted by an administrative law judge of the Office of Hearings and Appeals. The Board may, in its discretion, grant oral argument before the Board.

(b) Where the Board finds that one or more issues involved in an appeal or a matter referred to it were decided by the Bureau of Indian Affairs based upon the exercise of discretionary authority committed to the Bureau, and the Board has not otherwise been permitted to adjudicate the issue(s) pursuant to § 4.330(b) of this part, the Board shall dismiss the appeal as to the issue(s) or refer the issue(s) to the Assistant Secretary—Indian Affairs for further consideration.

§ 4.338 Submission by administrative law judge of proposed findings, conclusions and recommended decision.

(a) When an evidentiary hearing pursuant to § 4.337(a) of this part is concluded, the administrative law judge shall recommend findings of fact and conclusions of law, stating the reasons for such recommendations. A copy of the recommended decision shall be sent to each party to the proceeding, the Bureau official involved, and the Board. Simultaneously, the entire record of the proceedings, including the transcript of the hearing before the administrative law judge, shall be forwarded to the Board.

(b) The administrative law judge shall advise the parties at the conclusion of the recommended decision of their right to file exceptions or other

comments regarding the recommended decision with the Board in accordance with § 4.339 of this part.

§ 4.339 Exceptions or comments regarding recommended decision by administrative law judge.

Within 30 days after receipt of the recommended decision of the administrative law judge, any party may file exceptions to or other comments on the decision with the Board.

§ 4.340 Disposition of the record.

Subsequent to a decision by the Board, the record filed with the Board and all documents added during the appeal proceedings, including the Board's decision, shall be forwarded to the official of the Bureau of Indian Affairs whose decision was appealed for proper disposition in accordance with rules and regulations concerning treatment of Federal records.
