P. O. Box 355

Dear Ms. Schmit:

On March 25, 2011, the Bureau of Indian Affairs, Pacific Region, received your Freedom of Information Act (FOIA) request. On April 1, 2011, the Tribal Government Office, Pacific Region, received your FOIA request for *"documentation on the Big Sandy Rancheria: Lands and title, tribal enrollment, populations, a historic and anthropological tie to Indian lands outside the exterior boundaries of the Rancheria and proof of tribal governance over lands and members"*.

Enclosed are documents that are responsive to your request from our Tribal Operations Office, Pacific Region. You have also listed several questions that pertain to the enrollment, population or historic information and we are responding to only four questions that pertain to Tribal Operation files. Our Realty Office will respond separately to lands, title, and Indian lands outside the exterior boundaries of the Rancheria:

Request:

- Any record of tribal membership or organization leading up to the establishment of the Big Sandy Rancheria in 1909 to present.

Response:

1. Federal Register, Volume 75, No. 190, dated October 1, 2010, Department of the Interior, Bureau of Indian Affairs – Indian Entities Recognized and Eligible To Receive Services From the United States Bureau of Indian Affairs. Big Sandy Rancheria is listed, five pages.
2. 2005 American Indian Population and Labor Force Report. 2005 Local estimates of the Indian Service Population and Labor Market Information. This information is the latest official Labor Force Report as of 2005, two pages.
3. Big Sandy Rancheria, California: Distribution Plan, dated December 30, 1983, seven pages.

On the Plan of Distribution it include names, dates of birth, and addresses which have been redacted due the Privacy Act and Exemption 6 of the FOIA (5 U.S.C. 552 (b) (6)).

The information that you are requesting in your first request includes individual's names, dates of birth, and addresses that may be subject to the Privacy Act. Therefore, the Department maintains that individuals have a personal privacy interest in this information. We do not perceive, nor have you enunciated, any public interest that would be served in disclosing this data, which would outweigh the privacy interest of the subject individuals. Furthermore, sound grounds exist for withholding the information, pursuant to exemption 6 of the FOIA (5 U.S.C. 552 (b) (6)), which permits an agency to withhold "personnel, medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy."

Under the Privacy Act, personal information contained in a system of records may not be released to third parties without the prior consent of the individuals to whom the records pertain, unless disclosure of the records is required under FOIA or one of certain other conditions of disclosure is present. 5 USC § 552a(b).

Request:

- Any and all documents demonstrating tribal government organizations, i.e., a tribal constitution with date of approval, membership role.

Response: We have conducted a thorough search of our tribal government files and find that there are no documents in this office which you have requested. This is not a refusal to disclose documents but rather a notification that there are no other documents to disclose.

Request:

- Any historical and/or anthropological documentation of this tribe's traditional home land location – i.e., Indian Agency reports of the Mono residing in Inyo County or neighboring counties in Nevada.

Response: We have conducted a thorough search of our tribal government files and find that there are no documents in this office which you have requested. This is not a refusal to disclose documents but rather a notification that there are no other documents to disclose.

Request:

- Any documentation that identified or discusses the circumstances or events of: why the Big Sandy Band was identified with the Paiute and counted in the 1930 census with that group?

Response: We have conducted a thorough search of our tribal government files and find that there are no documents in this office which you have requested. This is not a refusal to disclose documents but rather a notification that there are no other documents to disclose.

The information that you are requesting in your first request includes individual's names, dates of birth, and addresses that may be subject to the Privacy Act. Therefore, the Department maintains that individuals have a personal privacy interest in this information. We do not perceive, nor have you enunciated, any public interest that would be served in disclosing this data, which would outweigh the privacy interest of the subject individuals. Furthermore, sound grounds exist for withholding the information, pursuant to exemption 6 of the FOIA (5 U.S.C. 552 (b) (6)), which permits an agency to

withhold "personnel, medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy."

Under the Privacy Act, personal information contained in a system of records may not be released to third parties without the prior consent of the individuals to whom the records pertain, unless disclosure of the records is required under FOIA or one of certain other conditions of disclosure is present. 5 USC § 552a(b).

DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

Indian Entities Recognized and Eligible To Receive Services From the United States Bureau of Indian Affairs

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: This notice publishes the current list of 564 tribal entities recognized and eligible for funding and services from the Bureau of Indian Affairs by virtue of their status as Indian tribes. The list is updated from the notice published on August 11, 2009 (74 FR 40218).

FOR FURTHER INFORMATION CONTACT: Elizabeth Colliflower, Bureau of Indian Affairs, Division of Tribal Government Services, Mail Stop 4513-MIB, 1849 C Street, NW., Washington, DC 20240. Telephone number: (202) 513-7641.

SUPPLEMENTARY INFORMATION: This notice is published pursuant to Section 104 of the Act of November 2, 1994 (Pub. L. 103-454; 108 Stat. 4791, 4792), and in exercise of authority delegated to the Assistant Secretary—Indian Affairs under 25 U.S.C. 2 and 9 and 209 DM 8.

Published below is a list of federally acknowledged tribes in the contiguous 48 states and in Alaska.

Amendments to the list include name changes and name corrections. To aid in identifying tribal name changes, the tribe's former name is included with the new tribal name. To aid in identifying corrections, the tribe's previously listed name is included with the tribal name. We will continue to list the tribe's former or previously listed name for several years before dropping the former or previously listed name from the list.

The listed entities are acknowledged to have the immunities and privileges available to other federally acknowledged Indian tribes by virtue of their government-to-government relationship with the United States as well as the responsibilities, powers, limitations and obligations of such tribes. We have continued the practice of listing the Alaska Native entities separately solely for the purpose of facilitating identification of them and reference to them given the large number of complex Native names.

Dated: September 22, 2010.

Larry Echo Hawk,

Assistant Secretary—Indian Affairs.

A PLAN FOR THE DISTRIBUTION OF THE ASSETS OF
THE BIG SANDY (AUBERRY) RANCHERIA,
ACCORDING TO THE PROVISIONS OF PUBLIC LAW 85-671,
ENACTED BY THE 85th CONGRESS, APPROVED AUGUST 18, 1958

The Big Sandy (Auberry) Rancheria, located about three miles northeast of the town of Auberry in Fresno County, California, is comprised of 285 acres, more or less, and is described as W2 SE4, NW4 SE4 SE4, N2 N2 SW4 SE4 SE4, NE4 SW4, Section 4, W2 NE4, SE4 NE4, S2 S2 NW4 NE4 NE4, NE4 NE4 NE4, S2 NE4 NE4, Section 9, T.10 S., R.23 E., M.D.M., California.

The occupied portion of the Rancheria is situated in a small valley with a gently sloping floor and a few small drainages. About 180 acres are steep, mountainous and brush-laden. Present use of the Rancheria is limited to homesite purposes. With the exception of a former teacherage on Parcel 3 and a former school house on Parcel 15 which are Government-owned, all homes on the Rancheria are privately-owned.

Although a paved county road crosses the northerly side of the Rancheria and provides the access to part of the residential area, most homes must be reached over narrow dirt trails. A State highway crosses the westerly and southerly portion of the Rancheria, but because of the highway's elevation, direct access to the individual homesites is not available. In general, the roads crossing the Rancheria are not designed to serve the homesites and access is difficult.

Nearly all homes are served with domestic water from a community system installed nearly twenty-five years ago, the cost of which has been placed as a lien against the Rancheria. Rehabilitation of the system is essential. In addition, the Rancheria residents have formally requested the installation

of sanitation facilities by the U. S. Public Health Service under Public Law 86-121 which may require an increased supply of domestic water.

There are no funds on deposit in the U.S. Treasury to the credit of the Rancheria. The group has had no constitution and bylaws or any other formal type of organization.

All distributees have been advised of the opportunity to participate in the education and training opportunities afforded by Public Law 85-671.

Formal assignments approved by the Bureau of Indian Affairs have not been made, validating occupancy of the Rancheria, but rather, residence on the Rancheria has for many years been authorized on the basis of need of individual families by the Auberry Indian Council, an informal organization of Indians living on the Rancheria and in the general vicinity. The Indians named herein have been determined to be the only Indians eligible to share in the assets of the Rancheria under the following criterion established by a vote of the Auberry Indian Council on May 1, 1963.

"All Indian families who have continuously resided on the Big Sandy Rancheria for the two (2) year period immediately prior to May 1, 1963."

No minors will participate in the distribution of the assets of the Rancheria.

The Indians of the Big Sandy Rancheria hereby request distribution of Rancheria assets under the provision of Public Law 85-671 and that the following actions authorized by that Act be performed as rapidly as possible.

1. Provide assistance in establishing a form of legal entity as may be required to accept and hold title to properties to be retained in group ownership.

2. Rehabilitate the existing domestic water system and construct such additional facilities as may be determined by the Area Director, Sacramento Area Office of the Bureau of Indian Affairs, to be needed in order to provide a safe and adequate supply of domestic water to all existing homes and to any residence under construction that is as much as fifty percent (50%) complete within 180 days after final approval of this plan.
3. Cancel all reimbursable indebtedness owing to the United States on account of unpaid construction and/or operation and maintenance charges for water facilities.
4. Make such surveys as are necessary for the Secretary of the Interior or his authorized representative to convey a merchantable and recordable title to each parcel.
5. Furnish each distributee with a statement of the approximate value of his or her parcel at the time of conveyance. Furnish such legal entity as may be established the approximate value of each parcel to be taken in community ownership.
6. Construct roads in the general locations shown on the attached sketch map to the minimum standards of Fresno County and transfer the facilities and rights-of-way thereto to the County for inclusion in the county road system.
7. Convey the following properties to a legal entity organized to accept them:
 - A. Government-owned buildings: Building No. 681, pump house
Building No. 682, community house
 - B. Parcels 5, 13, 15, 23, 24, 25, and 26

8. Convey Building No. 683, teacher's cottage, owned by the U.S. Government to the distributee of Parcel 3.
9. Reserve such easements or rights-of-way as may be required.
10. Sell, according to Bureau of Indian Affairs regulations, those portions of the Rancheria designated on the attached sketch map as Parcels 1 and 28, containing approximately 12.5 acres and 31.4 acres, respectively, provided that the highest bid or bids shall be subject to acceptance by a majority of the distributees. Should no bid be found acceptable a majority of the distributees shall determine what disposition shall be made of the property subject to the approval of the Secretary of the Interior or his authorized representative. The proceeds of any sale negotiated under this provision shall be paid by the Bureau of Indian Affairs to the legal entity to be established under Section 1.
11. Disburse to the legal entity to be established under Section 1 any funds on deposit in the U.S. Treasury to the credit of the Rancheria.
12. Before conveying or distributing property pursuant to this plan, protect the rights of individual Indians who are in need of assistance in conducting their affairs by causing the appointment of conservators or guardians for such Indians in courts of competent jurisdiction or by such other means as may be deemed adequate.
13. Convey unrestricted title to Parcel 20 as shown on the attached sketch map to the American Baptist Home Mission Society.
14. Convey to individual Indians or to a legal entity unrestricted title to lands constituting the Big Sandy Rancheria. The attached sketch map indicates generally the location of the parcels to be conveyed, provided however that adjustments may be made with the consent of the distributees

of Indian Affairs or his authorized representative. Title conveyed shall be subject to existing rights-of-way, easements or leases and will include such mineral and/or water rights as are now vested in the United States.

The distributees who will receive title to individual parcels and who will become the shareholders of a legal entity to be organized to accept title to be taken by the community and the dependent members of their immediate families as defined in 25 C.F.R. 242.2(c) are:

of each person whose name appears in this list shall constitute vested property which may be inherited or bequeathed but shall not otherwise be subject to alienation or encumbrance before the transfer of title to such property by the United States.

All statutes of the United States which affect Indians because of their status as Indians shall not apply to them and the laws of the several states shall apply to them in the same manner as they apply to other citizens or persons within their jurisdiction.
