Sacramento, California.

Dear Sir:

This is to acknowledge the receipt of
your favor of December 23rd in reference to the
Louis Alpers land.

Since receiving your letter we have
attended to the payment of the taxes on this
property.

In order to comply with the requirements
of the Controller General regarding the issuance
of Title Insurance Policy, the deed to the Govern-
ment should now be recorded. If you will return
the deed to this office we will attend to recording
it, or if you prefer to record it yourself, please
notify us when you have done so, as the date of recorda-
tion of the deed fixes the date of our title policy.

Upon recordation of the deed we will
write up our policy in accordance with the form
heretofore submitted to you and will forward the
same to you, together with the tax receipt.

Very truly yours,
