

Mr. LaFayette A. Dorrington,

Supt. Sacramento Agency.

My dear Mr. Dorrington:

Your attention is invited to Office letters and cards dated April 6. May 7. June 15 and July 16, 1928, requesting you to report the present status of the proposed purchase of certain land from Louis Alpers for landless California Indians. For reasons unknown to this Office, these various requests have been ignored. You are hereby directed to report to this Office not later than September 20, the information requested and give your reasons for failure to comply with the requests when made.

Very truly yours,

Assistant Commissioner.
