Dear Sir:

I have your letter of April 13th with reference to the matter of the purchase of 70 acres of land in Amador County, California, from Louis Alpers.

Immediately upon receipt of your letter I asked The Indian Service to furnish me with memorandum giving me the status of the matter inquired about.

Herein I send to you the memorandum dated April 17, 1929, of the Commissioner of The Indian Service for your information. You will note that the matter is pending in the office of the Comptroller General and I shall at once take steps to see what can be done to expedite action in the Comptroller General's office. I assure you that everything that can be done to expedite this will be done. I regret the delay.

Very truly yours,

Assistant Secretary.
