

DEC -4 1955

Mr. Oscar H. Lipps,

Supt. Sacramento Agency.

Dear Mr. Lipps:

In your letter of October 5 you stated that Mr. Preuty and Mr. Bell were to hold a conference with other interested persons relative to the Ione situation and that you would report further when you heard from them.

Have you anything further to report at this time?

Sincerely yours,

(Signed) John Collier
Commissioner.
