Re: California Public Records Act (CPRA) request

Dear Mrs. Schmit,

The Riverside County Sheriff's Department has received your e-mailed CPRA request for information related to operations cost and calls for service statistics for the Sheriff's Colorado River Station, fiscal year 2008/2009.

From July 1, 2008 to June 30, 2009 the Sheriff's Colorado River Station handled 5299 calls for service. Please see the attached spread sheet report of those calls for service. I have also included a listing of call types to assist you with sorting and understanding the abbreviated call types.

The expenditures at the Sheriff's Colorado River Station for fiscal year 2008/2009 totaled \$5,132, 869.11. Please see the attached expenditure report.

Thank you for the interest in Riverside County Sheriff's Department records.

Best regards,
