Barth,

I sent this email to Barron this afternoon. I have copied Norma and Ken Anderson and expect Ken to follow up on this.

Thanks,

Dana

Barron,

In a meeting yesterday we became aware you are using a personal photo of Lee Iacocca taken at dinner in 2004 in Palm Springs. You were never given permission to use Lee's name or image and what you have done is not only unacceptable but also misleading. When you called me earlier this year I made it very clear that Lee was not interested in meeting with you and your group or partnering on any of your ventures.

I have no other option than to turn this matter over to Lee's attorney.

Regards,
