Re: Termination of Business Relationship Between Los Coyotes  
Band of Cahuilla and Cupeño Indians and Barronhaus Ltd.

Dear Mr. Maisel and Ms. Belli:

This letter will confirm the information and tribal position I conveyed to you by telephone this week. The Tribe voted on Sunday, October 14, 2007, to sever all business relationships with you. You are not to engage in any investment banking work on behalf of the Tribe, nor represent to any third party that you represent the Tribe, nor advise anyone that you have any authority to introduce them to the Tribe for any purpose.

As I have indicated to you, I cannot at this time discuss with you your legal rights under the contract you have had with the Tribe. You may wish to consult with counsel.

Sincerely,

Joel M. Bernstein
