August 26, 1926.

Commissioner of Indian Affairs,
Washington, D. C.

My dear Mr. Commissioner:

This has reference to your letter of July 26, 1926, with above citation having reference to purchase of land from Mr. R. A. Gobbi of Healdsburg, California for Dry Creek and Geyserville Band of Indians, Alexander Valley, Sonoma County, California.

As directed therein, the Deeds, Abstracts, (Title Insurance Policy) and voucher in the sum of \$10,000.00 which is in full payment of both tracts are herewith submitted for your consideration and necessary action.

If the Deeds are approved and returned, they will be recorded with the Recorder of Sonoma County, California, and the Abstracts brought down to cover same showing the title to be with the United States.

The matter of taxes for 1926-27 which are now a lien, but not yet due or payable will be taken care of by Mr. Gobbi, he having agreed to deposit with this Agency an amount sufficient to cover same, and we will see that it is done.

There does not appear to be anything further required of this agency at this time.

Trusting this will close the deal, I remain at your command

Yours very truly,

L. A. DORRINGTON
Superintendent
