Mr. Roy Nash
Superintendent
Sacramento Indian Agency
Sacramento, California.

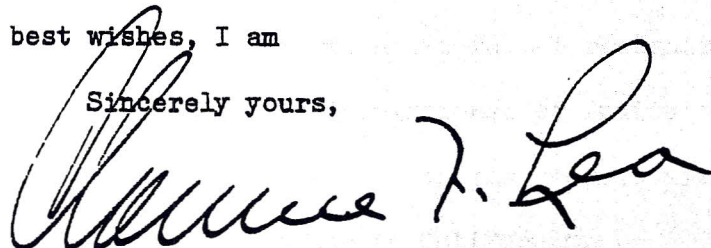

Dear Mr. Nash:

I had a report of your meeting in Sonoma County in reference to the Lytton matter and also the suggestions that developed as to a home construction program. I recognize the difficulties. I have asked the Commissioner of Indian Affairs to give me a little memorandum as to the present situation for home building for the Indians in California.

I appreciate your attitude in the unfortunate development at Lytton. I, too, was utterly unconscious of the fact that Mr. Steel was regarded as an intruder or that he belonged to other tribes.

Anyway, I would appreciate any suggestions that you can make that would look towards a constructive handling of the matter.

With best wishes, I am
Sincerely yours,
