February 4, 1939.

Mr. Roy Nash, Superintendent,  
Sacramento Indian Agency,  
Sacramento, California.

Dear Mr. Nash:

I enclose a copy of a letter I received from Mrs. Bell Leroux and others at Geyserville, California. It relates to the question of settlement on the Indian Lands at Lytton. This is the first I had heard of this phase of the matter. I have delayed in writing you through press of work here. This situation evidently involves difficulties and I will appreciate your good attention to the matter so far as you are able to handle it.

I will be glad if you will let me hear from you as the facts may develop.

With best wishes, I am

Sincerely yours,
