Salvation Army Boys' & Girls' Industrial Home  
Lytton, Sonoma County, California

Dear Major Simpson:

In accordance with our conversation of Saturday  
the 5th, if Mr. Ponce will take the hay off the Lytton  
Rancheria any time before the 20th, it will be satisfactory.

After the 20th of July, we will consider the <sup>right of</sup> informal permit issued by former Superintendent Lipps' of <sup>structure to</sup> July 20?  
November 12, 1931, as terminated inasmuch as Mr. Bert Steele,  
an Indian, desires to make use of this land.

Very truly yours,

Ray Nash, Superintendent
