Mrs. Eleanor Lopez
Rt. 1, Box 81-A
Calistoga, California

Dear Mrs. Lopez:

Reference is made to your letter of December 3 in regard to your concern over the survey of the Mary Steale assignment designated as Lot 1 of the Lytton Rancheria. Our final survey of the Lytton Rancheria has not been completed. However, we can assure you that the land which is now occupied by the Indian people of the Lytton Rancheria will be divided in accordance with the approved plan of distribution.

We believe Mrs. Steale's proposed appointment at this time is not necessary because we feel confident that no difficulties will develop in the survey of the properties.

Sincerely yours,

Robert M. Hill

Area Director
