## 2.6 Discretionary Actions or Approvals by Other Agencies

Responsible agencies are those agencies, which have discretionary approval over one or more actions involved with development of the proposed site. Trustee Agencies are state agencies that have discretionary approval or jurisdiction by law over natural resources affected by the project. These agencies may include, but are not limited to the following:

1. **County of Imperial.** Improvements to Jasper Road as part of the project would require the issuance of the County of Imperial Encroachment Permit.
2. **Caltrans.** The proposed improvement and re-routing of Scaroni Road, and work affecting existing County Roads, may also require a Caltrans Encroachment Permit, if the work affects Caltrans Right-of-Way.
3. **Imperial County Air Pollution Control District.** The applicant would be required to obtain Mobile Source Reduction Credits from the Imperial County Air Pollution Control District, as discussed in Section 4.4 of this EIR.
4. **Imperial Irrigation District.** Connection to the Strout Drain for purposes of discharging stormwater runoff and canal crossings would require a Discharge Approval/Encroachment Permit from the IID.

In addition, prior to any Class III gaming at the site, the following discretionary actions or approvals are required:

1. **State of California (Gaming Compact)**
2. **Bureau of Indian Affairs (Fee-to-Trust)**
3. **National Indian Gaming Regulatory Commission (Casino Management Contract)**
