Notice of Proposed Classification

MAY 25, 1967.

Notice is hereby given of a proposal to classify the lands described below through exchange under section 8 of the Taylor Grazing Act (43 U.S.C. 315g) for lands which lie mainly in the Humboldt National Forest. This proposal has been discussed with the District Advisory Board, local governmental officials, and other interested parties. Information derived from discussions and other sources indicate that these lands meet the criterion of 43 CFR 2410.1-3(c) (4), which authorizes classification of lands "for exchange under appropriate authority where they are found to be chiefly valuable for public purposes because they have special values, arising from the interest of exchange proponents, for exchange for other lands which are needed for the support of a Federal Program." Information concerning the lands, including the record of public discussions, is available for inspection and study at the Bureau of Land Management, Federal Building, 300 Booth Street, Reno, Nev. For a period of 60 days from the date of this publication, interested parties may submit comments to the District Manager of the Elko District.

The lands affected by this proposal are located in Elko County and are described as follows:
