Re: Motion for Reconsideration and Immediate 10-Day Stay of Department's
January 25, 2011 Order

Dear Director Appelsmith:

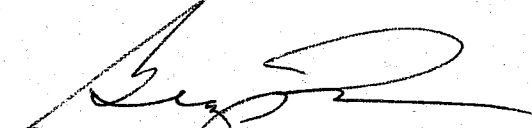

Enclosed herewith is the Bear River Casino's motion for reconsideration and immediate 10-day stay of the Department's January 25, 2011 Order referring the accusation against the Bear River Casino to ALJ Lewis or another ALJ for such further proceedings as the ALJ may, in his sole discretion, deem necessary. The motion is accompanied by the declarations (and attached exhibits) of Tribal Vice-Chairperson Dakota McGinnis, Tribal Gaming Executive Director Will Sand and traffic engineer Netra Khatri.

Copies of the foregoing documents also have been sent to legal counsel for the Singley Hill Homeowners Association and Department attorney Dean Leuders via e-mail and U.S. Mail.

ALJ Lewis has scheduled a further telephonic status/scheduling conference for March 7, 2011, at 10:00 a.m. Your prompt attention to this matter would be deeply appreciated.

Very truly yours,
