ORDER

On Wednesday February 23, 2011, at approximately 4:54 p.m., the Director of the Department of Alcoholic Beverage Control received a Motion/Petition for Reconsideration via e-mail from counsel for the Respondent/Licensee. The Department's Decision Following Appeals Board Decision was certified as having been adopted on January 25, 2011, and was served on all parties on January 26, 2011. Government Code section 11521 subdivision (a) provides that the Department may reconsider its decision upon its own motion or upon the petition of any party. The Department's jurisdiction to reconsider a decision expires 30 days after the delivery or mailing of a decision to a respondent. This provision further provides that the Department "may grant a stay of that expiration for no more than 10 days, solely for the purpose of considering the petition." In the instant matter, the 30-day period expires on Friday February 25, 2011 (not Thursday February 24, 2011, as indicated by petitioner, since the time period commences upon date of mailing and not upon date of adoption of the decision).

It is hereby Ordered that the expiration of the time within which the Department may consider the Motion for Reconsideration is extended by 10 days to Monday March 7, 2011.

Dated: February 24, 2011

General Counsel
