**Re: Request for Notification of Fee to Trust
By the Chumash Band of Mission Indians**

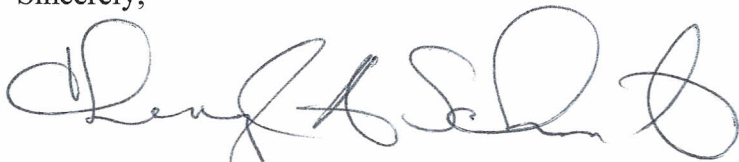

Dear Mr. Rydzik:

Stand Up For California! requests to be included on the notification or service list for any fee to trust application or notification of a National Environmental Impact Report process initiated by a tribal resolution for the Santa Ynez Chumash Mission Indians in Santa Ynez Valley. Please keep this request on file.

Please note a prior request was sent dated Sept. 11, 2011. I have not received notification of a fee to trust application, environmental review or notice of the proposed Tribal Consolidation Area.

If and when a Draft Environmental Impact Statement or Environmental Assessment is issued, *Stand Up For California!* requests a copy of the documents or CD to be mailed in order for our organization to make appropriate comments. Many thanks in advance.

Sincerely,
