Project Description/Proposed Land Use:

The subject property encompasses approximately 2.11 acres more or less, commonly referred to as Assessor's Parcel Numbers: 143-242-01 and 143-242-02 (Mooney); and

143-252-01 and 143-252-02 (Escobar). The property is adjacent to highway 246 which runs along the Santa Ynez Reservation and is contiguous to the Reservation.

The Tribe has no plans to change the use of the subject property. By placing the parcels into trust, the Tribe is able to irrigate the landscaping with recycled water generated by the Tribe's wastewater treatment plant, instead of the potable water which is now currently used. The purpose of the proposed fee-to-trust transfer will be to maintain such uses under the jurisdiction of the Tribe for future long range planning, including the ability to use its resources in a more environmentally proactive way. The property will serve to enhance the Tribe's land base, which supports tribal self-determination.

Current Use/Taxes and Zoning:

Assessed property taxes for 2013-2014:

143-242-01 - \$2,363.72
143-242-02 - \$14,567.00
143-252-01 - \$4,513.94
143-252-02 - \$2,602.56

The total collectable taxes on the property for 2013-2014 were \$24,047.22, which represents far less than 1% of the total which the County expects to generate from property taxes. Therefore, the percentage of the tax revenue that will be lost by transferring the land into trust would be significant in comparison to the total amount of revenue enjoyed by the County.

Existing Easements/Encumbrances:

See attached Schedule B

As indicated above, the purpose for seeking your comments regarding the proposed trust land acquisition is to obtain sufficient data that would enable an analysis of the potential impact on local/state government, which may result from the removal of the subject property from the tax roll and local jurisdiction.

This notice does not constitute, or replace, a notice that might be issued for the purpose of compliance with the National Environmental Policy Act of 1969.

Your written comments should be addressed to the Bureau of Indian Affairs at the address at the top of this notice. Any comments received within thirty days of your receipt of this notice will be considered and made a part of our record. You may be granted an extension of time to furnish comments, provided you submit a written

justification requesting such an extension within thirty days of receipt of this letter. An extension of ten to thirty days may be granted. Copies of all comments will additionally be provided to the applicant. You will be notified of the decision to approve or deny the application.

If any party receiving this notice is aware of additional governmental entities that may be affected by the subject acquisition, please forward a copy of this notice to said party or timely provide our office with the name and address of said party.

A copy of the application, excluding any documentation exempted under the Freedom of Information Act, is available for review at the above address. A request to make an appointment to review the application, or questions regarding the application, may be directed to Lorrae Russell, Realty Specialist, at (916) 978-6071 or Arvada Wolfen, Supervisory Realty Specialist, at (916) 978-6069.

Regional Director

Titles and Records Offices are designated as Certifying Officers for this purpose. When a copy or reproduction of a title document is authenticated by the official seal and certified by a Manager, Land Titles and Records Office, the copy or reproduction shall be admitted into evidence the same as the original from which it was made. The fees for furnishing such certified copies are established by a uniform fee schedule applicable to all constituent units of the Department of the Interior and published in 43 CFR part 2, appendix A.

§ 150.11 Disclosure of land records, title documents, and title reports.

(a) The usefulness of a Land Titles and Records Office depends in large measure on the ability of the public to consult the records contained therein. It is therefore, the policy of the Bureau of Indian Affairs to allow access to land records and title documents unless such access would violate the Privacy Act, 5 U.S.C. 552a or other law restricting access to such records, or there are strong policy grounds for denying access where such access is not required by the Freedom of Information Act, 5 U.S.C. 552. It shall be the policy of the Bureau of Indian Affairs that, unless specifically authorized, monetary considerations will not be disclosed insofar as leases of tribal land are concerned.

(b) Before disclosing information concerning any living individual, the Manager, Land Titles and Records Office, shall consult 5 U.S.C. 552a(b) and the notice of routine users then in effect to determine whether the information may be released without the written consent of the person to whom it pertains.

§ 151.1 Purpose and scope.

These regulations set forth the authorities, policy, and procedures governing the acquisition of land by the United States in trust status for individual Indians and tribes. Acquisition of land by individual Indians and tribes in fee simple status is not covered by these regulations even though such land may, by operation of law, be held in restricted status following acquisition. Acquisition of land in trust status by inheritance or escheat is not covered by these regulations. These regulations do not cover the acquisition of

Bureau of Indian Affairs, Interior

§151.3

land in trust status in the State of Alaska, except acquisitions for the Metlakatla Indian Community of the Annette Island Reserve or its members.

§151.2 Definitions.

(a) *Secretary* means the Secretary of the Interior or authorized representative.

(b) *Tribe* means any Indian tribe, band, nation, pueblo, community, rancheria, colony, or other group of Indians, including the Metlakatla Indian Community of the Annette Island Reserve, which is recognized by the Secretary as eligible for the special programs and services from the Bureau of Indian Affairs. For purposes of acquisitions made under the authority of 25 U.S.C. 488 and 489, or other statutory authority which specifically authorizes trust acquisitions for such corporations, "Tribe" also means a corporation chartered under section 17 of the Act of June 18, 1934 (48 Stat. 988; 25 U.S.C. 477) or section 3 of the Act of June 26, 1936 (49 Stat. 1967; 25 U.S.C. 503).

(c) *Individual Indian* means:

(1) Any person who is an enrolled member of a tribe;

(2) Any person who is a descendant of such a member and said descendant was, on June 1, 1934, physically residing on a federally recognized Indian reservation;

(3) Any other person possessing a total of one-half or more degree Indian blood of a tribe;

(4) For purposes of acquisitions outside of the State of Alaska, *Individual Indian* also means a person who meets the qualifications of paragraph (c)(1), (2), or (3) of this section where "Tribe" includes any Alaska Native Village or Alaska Native Group which is recognized by the Secretary as eligible for the special programs and services from the Bureau of Indian Affairs.

(d) *Trust land* or *land in trust status* means land the title to which is held in trust by the United States for an individual Indian or a tribe.

(e) *Restricted land* or *land in restricted status* means land the title to which is held by an individual Indian or a tribe and which can only be alienated or encumbered by the owner with the approval of the Secretary because of limi-

tations contained in the conveyance instrument pursuant to Federal law or because of a Federal law directly imposing such limitations.

(f) Unless another definition is required by the act of Congress authorizing a particular trust acquisition, *Indian reservation* means that area of land over which the tribe is recognized by the United States as having governmental jurisdiction, except that, in the State of Oklahoma or where there has been a final judicial determination that a reservation has been disestablished or diminished, *Indian reservation* means that area of land constituting the former reservation of the tribe as defined by the Secretary.

(g) *Land* means real property or any interest therein.

(h) *Tribal consolidation area* means a specific area of land with respect to which the tribe has prepared, and the Secretary has approved, a plan for the acquisition of land in trust status for the tribe.

[45 FR 62036, Sept. 18, 1980, as amended at 60 FR 32879, June 23, 1995]

§151.3 Land acquisition policy.

Land not held in trust or restricted status may only be acquired for an individual Indian or a tribe in trust status when such acquisition is authorized by an act of Congress. No acquisition of land in trust status, including a transfer of land already held in trust or restricted status, shall be valid unless the acquisition is approved by the Secretary.

(a) Subject to the provisions contained in the acts of Congress which authorize land acquisitions, land may be acquired for a tribe in trust status:

(1) When the property is located within the exterior boundaries of the tribe's reservation or adjacent thereto, or within a tribal consolidation area; or

(2) When the tribe already owns an interest in the land; or

(3) When the Secretary determines that the acquisition of the land is necessary to facilitate tribal self-determination, economic development, or Indian housing.

(b) Subject to the provisions contained in the acts of Congress which authorize land acquisitions or holding

§ 151.4

land in trust or restricted status, land may be acquired for an individual Indian in trust status:

- (1) When the land is located within the exterior boundaries of an Indian reservation, or adjacent thereto; or
- (2) When the land is already in trust or restricted status.

§ 151.4 Acquisitions in trust of lands owned in fee by an Indian.

Unrestricted land owned by an individual Indian or a tribe may be conveyed into trust status, including a conveyance to trust for the owner, subject to the provisions of this part.

§ 151.5 Trust acquisitions in Oklahoma under section 5 of the I.R.A.

In addition to acquisitions for tribes which did not reject the provisions of the Indian Reorganization Act and their members, land may be acquired in trust status for an individual Indian or a tribe in the State of Oklahoma under section 5 of the Act of June 18, 1934 (48 Stat. 985; 25 U.S.C. 465), if such acquisition comes within the terms of this part. This authority is in addition to all other statutory authority for such an acquisition.

§ 151.6 Exchanges.

An individual Indian or tribe may acquire land in trust status by exchange if the acquisition comes within the terms of this part. The disposal aspects of an exchange are governed by part 152 of this title.

§ 151.7 Acquisition of fractional interests.

Acquisition of a fractional land interest by an individual Indian or a tribe in trust status can be approved by the Secretary only if:

- (a) The buyer already owns a fractional interest in the same parcel of land; or
- (b) The interest being acquired by the buyer is in fee status; or
- (c) The buyer offers to purchase the remaining undivided trust or restricted interests in the parcel at not less than their fair market value; or
- (d) There is a specific law which grants to the particular buyer the right to purchase an undivided interest or interests in trust or restricted land

25 CFR Ch. I (4-1-08 Edition)

without offering to purchase all of such interests; or

- (e) The owner of a majority of the remaining trust or restricted interests in the parcel consent in writing to the acquisition by the buyer.

§ 151.8 Tribal consent for nonmember acquisitions.

An individual Indian or tribe may acquire land in trust status on a reservation other than its own only when the governing body of the tribe having jurisdiction over such reservation consents in writing to the acquisition; provided, that such consent shall not be required if the individual Indian or the tribe already owns an undivided trust or restricted interest in the parcel of land to be acquired.

§ 151.9 Requests for approval of acquisitions.

An individual Indian or tribe desiring to acquire land in trust status shall file a written request for approval of such acquisition with the Secretary. The request need not be in any special form but shall set out the identity of the parties, a description of the land to be acquired, and other information which would show that the acquisition comes within the terms of this part.

§ 151.10 On-reservation acquisitions.

Upon receipt of a written request to have lands taken in trust, the Secretary will notify the state and local governments having regulatory jurisdiction over the land to be acquired, unless the acquisition is mandated by legislation. The notice will inform the state or local government that each will be given 30 days in which to provide written comments as to the acquisition's potential impacts on regulatory jurisdiction, real property taxes and special assessments. If the state or local government responds within a 30-day period, a copy of the comments will be provided to the applicant, who will be given a reasonable time in which to reply and/or request that the Secretary issue a decision. The Secretary will consider the following criteria in evaluating requests for the acquisition of land in trust status when

the land is located within or contiguous to an Indian reservation, and the acquisition is not mandated:

(a) The existence of statutory authority for the acquisition and any limitations contained in such authority;

(b) The need of the individual Indian or the tribe for additional land;

(c) The purposes for which the land will be used;

(d) If the land is to be acquired for an individual Indian, the amount of trust or restricted land already owned by or for that individual and the degree to which he needs assistance in handling his affairs;

(e) If the land to be acquired is in unrestricted fee status, the impact on the State and its political subdivisions resulting from the removal of the land from the tax rolls;

(f) Jurisdictional problems and potential conflicts of land use which may arise; and

(g) If the land to be acquired is in fee status, whether the Bureau of Indian Affairs is equipped to discharge the additional responsibilities resulting from the acquisition of the land in trust status.

(h) The extent to which the applicant has provided information that allows the Secretary to comply with 516 DM 6, appendix 4, National Environmental Policy Act Revised Implementing Procedures, and 602 DM 2, Land Acquisitions: Hazardous Substances Determinations. (For copies, write to the Department of the Interior, Bureau of Indian Affairs, Branch of Environmental Services, 1849 C Street NW., Room 4525 MIB, Washington, DC 20240.)

§ 151.11 Off-reservation acquisitions.

The Secretary shall consider the following requirements in evaluating tribal requests for the acquisition of lands in trust status, when the land is located outside of and noncontiguous to the tribe's reservation, and the acquisition is not mandated:

(a) The criteria listed in § 151.10 (a) through (c) and (e) through (h);

(b) The location of the land relative to state boundaries, and its distance from the boundaries of the tribe's res-

ervation, shall be considered as follows: as the distance between the tribe's reservation and the land to be acquired increases, the Secretary shall give greater scrutiny to the tribe's justification of anticipated benefits from the acquisition. The Secretary shall give greater weight to the concerns raised pursuant to paragraph (d) of this section.

(c) Where land is being acquired for business purposes, the tribe shall provide a plan which specifies the anticipated economic benefits associated with the proposed use.

(d) Contact with state and local governments pursuant to § 151.10 (e) and (f) shall be completed as follows: Upon receipt of a tribe's written request to have lands taken in trust, the Secretary shall notify the state and local governments having regulatory jurisdiction over the land to be acquired. The notice shall inform the state and local government that each will be given 30 days in which to provide written comment as to the acquisition's potential impacts on regulatory jurisdiction, real property taxes and special assessments.

[60 FR 32379, June 23, 1995, as amended at 60 FR 43694, Sept. 21, 1995]

§ 151.12 Action on requests.

(a) The Secretary shall review all requests and shall promptly notify the applicant in writing of his decision. The Secretary may request any additional information or justification he considers necessary to enable him to reach a decision. If the Secretary determines that the request should be denied, he shall advise the applicant of that fact and the reasons therefor in writing and notify him of the right to appeal pursuant to part 2 of this title.

(b) Following completion of the Title Examination provided in § 151.13 of this part and the exhaustion of any administrative remedies, the Secretary shall publish in the FEDERAL REGISTER, or in a newspaper of general circulation serving the affected area a notice of his/her decision to take land into trust under this part. The notice will state that a final agency determination to take land in trust has been made and that the Secretary shall acquire title in the name of the United States no

§151.13

sooner than 30 days after the notice is published.

[45 FR 62036, Sept. 18, 1980. Redesignated at 60 FR 32879, June 23, 1995, as amended at 61 FR 13033, Apr. 24, 1996]

§151.13 Title examination.

If the Secretary determines that he will approve a request for the acquisition of land from unrestricted fee status to trust status, he shall acquire, or require the applicant to furnish, title evidence meeting the *Standards For The Preparation of Title Evidence In Land Acquisitions by the United States*, issued by the U.S. Department of Justice. After having the title evidence examined, the Secretary shall notify the applicant of any liens, encumbrances, or infirmities which may exist. The Secretary may require the elimination of any such liens, encumbrances, or infirmities prior to taking final approval action on the acquisition and he shall require elimination prior to such approval if the liens, encumbrances, or infirmities make title to the land unmarketable.

[45 FR 62036, Sept. 18, 1980. Redesignated at 60 FR 32878, June 23, 1995]
