Re: RAGE/ragesd.com

Dear Mr. Day:

My firm has been retained to represent the unincorporated association RAGE, Residents Against Gaming Expansion. As you well know, RAGE has developed a website under the domain name of ragesd.org. Its domain name was filed on January 5, 2007. Yours, ragesd.com, was filed on February 5, 2007.

Sycuan's use of the domain name of ragesd.com infringes on RAGE's common law trade name rights as well as federal statute. Demand is hereby made on behalf of the members of RAGE that the Sycuan Band of the Kumeyaay Nation immediately cease and desist its use of the domain name ragesd.com. If by Tuesday, March 6, 2007, you have not deactivated the ragesd.com domain so that it no longer points to <http://sycuancompact.com/>, legal action will be taken against your band and those individuals responsible for the infringement.

Thank you in advance for your prompt compliance with this demand.

Very truly yours,

Ron H. Oberndorfer
