RE: Public Records Act Request

Dear Mr. Longley:

Pursuant to my rights under the California Public Records Act (Government Code Section 6250 et seq.) and the California Constitution, as amended by passage of Proposition 59 on November 2, 2004, Stand Up For California is writing to request a copy of the following records, which I understand to be in the possession of your city:

- **A copy of the final intergovernmental agreement between the Tule River Indian Tribe and the City of Porterville with any and all accompanying exhibits, for the development of an Off-Reservation Native American Casino located at the TREDC 40 acre Industrial Park. (TREDC –Tule River Economic Development)**
- **Any documents submitted by the Tribe upon which the City relied when making its decision to adopt the MOU or State Legislation AB 1884.**
- **A copy of the City Agenda citing the resolution/ordinance and any accompanying analysis or staff report.**
- **A copy of the City's support letter for AB 1884 (in 2008), supporting the development of a JPA with the Tule River Indian Tribe including any City documents providing analysis or staff report for the proposal.**

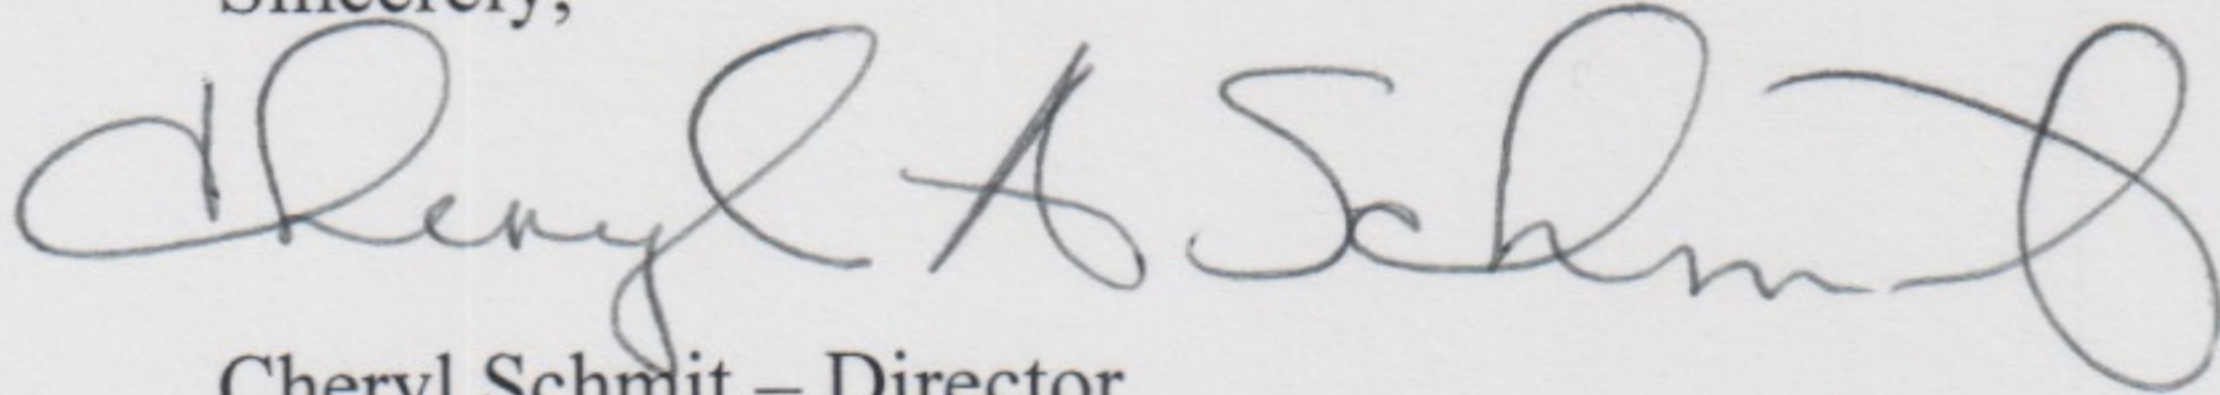

I ask for a determination on this request within 10 days of your receipt of it, and an even earlier reply if you can make that determination without having to review the record(s) in question. If you nonetheless determine that the requested records are subject to a still-valid exemption, I would further request that: (1) you exercise your discretion to disclose some or all of the records

notwithstanding the exemption; and (2) that, with respect to records containing both exempt and non-exempt content; you redact the exempt content and disclose the rest.

Finally, should you deny part or this entire request; you are required to provide a written response describing the legal authority or authorities on which you rely.

If I can provide any clarification that will help expedite your attention to this request, please contact me at (provide phone or fax number, pager number, etc.). I ask that you notify me of any duplication costs exceeding \$50.00, so that I may decide which records I want copied.

Sincerely,

Cheryl Schmit – Director
