Dear Inter-Tribal Member:

The Costanoan (Ohlone) Rumsen Carmel Tribe is a recognized 501 (c) 3 non profit, non gaming, self supporting California tribe which supports itself and the services it provides through fundraising and tax deductible donations from generous contributions, sponsors and community supporters.

The Costanoan (Ohlone) Rumsen Carmel Tribe located in Pomona, California is active within the community and provides free services and activities to both tribal and non-tribal members.

I am reaching out to you to request your assistance in joining me along with a group of high profile experts who are coming together on September 8 and September 9 to present a conference to bring about awareness to stop sexual assault, rape, molestation and homicide against children. This group represents a network from San Diego to San Francisco.

These experts are a collaborative network of law enforcement, social services, educators, community service organizations, civic and religious leaders as well as Victims Rights Advocates who are coming together to create a network to fight such violence against children.

I would like to ask you to help by supporting our efforts by donating \$5000.00 to help off -set costs of this free training event to help save the life of an innocent child.

The event is planned as an inaugural training conference that will next year include two full days of training and a charity concert to help raise awareness. With your support, you will be listed as part of the honorary committee putting this event together and your information will go out to the media with all related information about the conference including print, radio and television releases.

I hope you will join this collaboration and the community we share with those around us to help fight sexual assault and murder against children. By contributing you will help this network to protect the next generation of leaders, teachers and officers who will carry on the work we have begun.

Please join me and support this very worthy and important effort as it is a training model that can help to save the life of children both locally and nationally.

Should you desire, please reach out to Christina Chanes of my staff at 909-660-2607 or to me at 909.524.8041.

Thanks in advance for your support!
