RE: Financial Sources

Dear Mr. Peterson:

Pursuant to our conversation on November 15, 1002, I have enclosed a list of those entities which have identified themselves to the Division of Gambling Control as Financial Sources or "Backers" to the various gaming tribes in California, per your request.

Also enclosed is a copy of the Division of Gambling Control's "Vendor List". This list entails the names of all Gaming Resource Suppliers (vendors) who have formally requested a Finding of Suitability from the State. With this request the Vendors are declaring they are either currently doing business, or intend to do business in the near future, with the gaming tribes in California.

Should you need clarification on any of the enclosed information, or if after review still require further information, you may call Michael McPeters, Acting Special Agent in Charge, at (916) 263-4209.

Sincerely,

Mike McPeters
for HARLAN GOODSON
Director
