### A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROHNERT PARK APPROVING AND AUTHORIZING THE EXECUTION OF THE FIRST AMENDED AND RESTATED MEMORANDUM OF UNDERSTANDING BY AND BETWEEN THE CITY OF ROHNERT PARK AND THE FEDERATED INDIANS OF GRATON RANCHERIA FOR THE PURPOSE OF FUNDING THE MITIGATION OF OFFSITE CASINO IMPACTS

#### RECITALS

**WHEREAS**, the Federated Indians of Graton Rancheria (“**Tribe**”) are developing a casino resort project;

**WHEREAS**, on October 14, 2003, the City of Rohnert Park (“**City**”) and the Tribe entered into a Memorandum of Understanding (“**Original MOU**”) wherein the Tribe agreed to make certain financial contributions to the City to mitigate impacts of the casino resort project within the City as well as investments in and contributions to the Rohnert Park community;

**WHEREAS**, the Original MOU contemplated that the casino resort project would be located on property along Stony Point Road.

**WHEREAS**, in approving a Final Environmental Impact Statement (“**FEIS**”) for the casino resort project, the National Indian gaming Commission (“**NIGC**”) ultimately approved the location at an alternate site along Business Park Drive and selected a reduced intensity casino and a 6-story, 200-room hotel (“**Project**”);

**WHEREAS**, the Project is being built on approximately 66 acres of land situated within the City’s urban growth boundary and sphere-of-influence;

**WHEREAS**, due to relocation of the Project to a site within the City’s urban growth boundary, changes to the scope of the Project and its impacts on the demands for City services, the need to address mitigations called for in the NIGC’s Record of Decision and FEIS, and provisions required to assure proper implementation of the State Gaming Compact, the parties now wish to amend the Original MOU to reflect these changes and other matters by the adoption of a First Amended and Restated Memorandum of Understanding (“**Amended MOU**”);

**WHEREAS**, the parties intend that the Amended MOU supersede the Original MOU;

**WHEREAS**, both the Original MOU and this Amended MOU are intergovernmental agreements between the City and the Tribe that facilitate the mitigation of impacts resulting from the Project, and neither agreement approves the Project, allows gambling, or facilitates construction of the Project;

**WHEREAS**, at a regular meeting of the General Council of the Tribe, the General Council will authorize the adoption of the limited waiver of sovereign immunity;

**WHEREAS**, the Tribal Council of the Tribe approved the adoption of the Amended MOU on March 8, 2013 via Tribal Council Resolution No. TC-13-12;

**WHEREAS**, the City Council considered the adoption of the Amended MOU at a duly noticed public meeting of the City and considered the staff report and presentation, public comment, if any, of all persons desiring to be heard, and considered all the facts relevant to the Council's action.

**NOW, THEREFORE**, the City Council of the City of Rohnert Park does hereby resolve, determine, find and order as follows:

**SECTION 1. Findings.** The City Council hereby finds as follows:

1. The above recitations are true and correct and material to the Council's action.
2. The Amended MOU was negotiated as provided for in the Compact and constitutes approval of an intergovernmental agreement, as that term is defined in Section 11.8.7 of the Compact, which is designed to mitigate certain Project impacts on the City and compensate the City for impacts incurred as a consequence of the Project, pursuant to Section 11.8.7, subsections (a)(1) and (a)(2) of the Compact.
3. Approving the Amended MOU does not approve the Project nor gaming, those approvals have previously been granted by the NIGC and the Governor. The Amended MOU is a consequence of those prior approvals.
4. In undertaking environmental review, the following facts are relevant: (a) the Project has been reviewed under NEPA; (b) the Tribe is not a public agency subject to CEQA; (c) the Project is not subject to CEQA or to City environmental review, design, land use or land development ordinances, plans, manuals or standards; (d) the City does not have legal authority to deliberate on, approve, disapprove, or otherwise exercise judgment regarding the Project; and (e) the City is not deliberating on, approving, disapproving or otherwise exercising judgment regarding the Project by entering into this Amended MOU.

**SECTION 2. Environmental Analysis.** The City Council hereby finds that the adoption of this Agreement is statutorily exempt from CEQA pursuant to:

1. Government Code Section 12012.56(b)(1)(C). The Compact expressly requires the City and Tribe to enter into intergovernmental agreements to mitigate the impacts and provide for compensation for the offsite effects of the Project. In ratifying the Compact, the Legislature statutorily exempted the approval of such intergovernmental agreements from compliance with CEQA in Government Code section 12012.56(b)(1)(C) by expressly declaring that any such intergovernmental agreement between the City and Tribe "shall [not] be deemed a project for purposes of [CEQA]."
2. Section 15378(b)(4) of the CEQA Guidelines provides that a "project" does not include: "The creation of government funding mechanisms or other government fiscal activities, which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment." Adoption of the Amended MOU is therefore exempt and not a "project" for CEQA purposes because it does not obligate the City to undertake a specified construction project or set any time for development.<sup>1</sup> Rather, it is an agreement to establish a funding mechanism for implementation of mitigation measures which do not involve any commitment to any

specific project which could result in a potentially significant physical impact on the environment. The Amended MOU specifically acknowledges that CEQA review and compliance may be required if the City ever undertakes development of mitigation projects which could result in a physical impact on the environment.

**SECTION 3. Record.** In making its findings the City Council relied upon and hereby incorporates by reference all of the documents referenced in this Amended MOU, staff reports, presentations and all other related materials presented to the Council in conjunction with approval of the Amended MOU.

**SECTION 4. Authorization of Amended MOU.** The City Council does hereby approve the First Amended and Restated Memorandum of Understanding by and between the City of Rohnert Park and the Federated Indians of Graton Rancheria in substantially similar form to the Amended MOU attached hereto as Attachment 1 and incorporated by this reference, subject to final review, including non-substantive modification, and approval by the City Attorney.

**SECTION 5. Execution.** The City Manager is hereby authorized and directed to take all actions to effectuate the Amended MOU for and on behalf of the City of Rohnert Park, including, but not limited to, execution of the Amended MOU and directing staff to file a notice of exemption.

**SECTION 6. Severability.** If any action, subsection, sentence, clause or phrase of this Resolution or the Amended MOU adopted by this Resolution shall be held invalid or unconstitutional by a court of competent jurisdiction, such invalidity shall not affect the validity of the remaining portions of this Resolution or the Amended MOU adopted by this Resolution that can be given effect without the invalid provisions.

**DULY AND REGULARLY ADOPTED** this 26th day of March 2013.

The capitalized terms not otherwise defined herein have the meaning set forth below.

RECITALS

WHEREAS, the Tribe consists of approximately 1,300 members of Coast Miwok and Southern Pomo descent; and

WHEREAS, in 1966, the federal government terminated its relationship with the Tribe pursuant to the California Rancheria Act of 1958 (Pub. L. 88-453) and transferred title to the lands known as the Graton Rancheria into private ownership; and

WHEREAS, in 2000, Congress restored federal recognition to the Tribe pursuant to the Graton Rancheria Restoration Act (“**Restoration Act**”), Pub. L. 106-568, 25 U.S.C. § 1300n *et seq.*; and

WHEREAS, the Restoration Act required the Secretary of the Interior (the “**Secretary**”) to take real property identified by the Tribe and located in Marin or Sonoma counties into trust as the Tribe’s reservation; and

WHEREAS, in April 2003, the Tribe identified property located on Highway 37 in southern Sonoma County (the “**Highway 37 Property**”) for its reservation and announced plans to develop a resort hotel and gaming facility on a portion of the Highway 37 Property once in trust and deemed eligible for gaming; and

WHEREAS, at the urging of community representatives and environmentalists, the Tribe reconsidered its plans for the Highway 37 Property and, thereafter, donated its rights to the Highway 37 Property to the Sonoma Land Trust for perpetual preservation; and

WHEREAS, in August 2003, the Tribe acquired rights to purchase alternative property located on Stony Point Road (the “**Stony Point Road Property**”) west of the urban growth boundary of the City for its reservation and proposed project; and

WHEREAS, in August 2005, to address local land use and environmental concerns, the Tribe abandoned its plans for the Stony Point Road Property and, thereafter, the Tribe purchased approximately 254 acres of land (the “**254 Acre Parcel**”) located primarily within the unincorporated area of the County of Sonoma (the “**County**”); and

WHEREAS, at the request of the City and the County, the Tribe agreed to wait until completion of the environmental review for the proposed Gaming Facility before exercising its right under the Restoration Act to have the 254 Acre Parcel placed into trust; and

WHEREAS, the National Indian Gaming Commission (the “**NIGC**”) conducted four public hearings and provided over 160 days for public comment in preparing a draft and final

environmental impact statement (“EIS”) for the casino and hotel project pursuant to the National Environmental Policy Act; and

WHEREAS, in October 2010, the NIGC issued its Record of Decision, concluding that the 254 Acre Parcel is eligible for gaming under IGRA and adopting as the preferred action a reduced intensity casino and hotel project (the “**Project**”) that is significantly smaller than the project initially proposed by the Tribe and analyzed as Alternative A in the EIS, to be constructed and operated on approximately 68 acres of the 254 Acre Parcel located within the City urban growth boundary and outside the area identified as community separator in the County General Plan; and

WHEREAS, following completion of the environmental review, the Tribe exercised its right under the Restoration Act to have the 254 Acre Parcel placed into trust; and

WHEREAS, on October 1, 2010, pursuant to the Restoration Act, the Bureau of Indian Affairs of the United States Department of the Interior accepted the 254 Acre Parcel into trust on behalf of the Tribe for the Tribe’s reservation (the “**Reservation**”); and

WHEREAS, on March 27, 2012, Governor Jerry Brown signed, and on May 17, 2012, the Legislature subsequently ratified, a class III gaming compact (the “**Compact**”) between the Tribe and State that authorizes the operation of up to three thousand (3,000) Gaming Devices; and

WHEREAS, on July 12, 2012, the Secretary published notice in the Federal Register that the Compact is considered to have been approved pursuant to IGRA; and

WHEREAS, the Compact obligates the Tribe to pay a percentage of its gaming revenues to the State Gaming Agency on a quarterly basis for deposit into a trust fund called the Graton Mitigation Fund; and

WHEREAS, the funds deposited into the Graton Mitigation Fund are to be paid by the State Gaming Agency in the following descending order, until exhausted: (i) the City pursuant to its agreement with the Tribe, (ii) the County pursuant to its agreement with the Tribe, and (iii) to the Revenue Sharing Trust Fund or the Tribal Nation Grant Fund; and

WHEREAS, the Tribe and the City are parties to a Memorandum of Understanding made effective as of October 14, 2003 (the “**Original MOU**”), providing for funds to mitigate Project impacts within the City and make investments in and contributions to the Rohnert Park community; and

WHEREAS, the City and the Tribe are parties to a Joint Exercise of Powers Agreement for Wastewater Services made effective as of July 23, 2012 (the “**Wastewater Services JEPA**”), to provide City wastewater services to the Reservation, including the Project; and

WHEREAS, the City, the County, and the Tribe are parties to a Joint Exercise of Powers Agreement for Implementation of Mitigation Measures for Widening Wilfred Avenue made effective as of September 25, 2012 (the “**Wilfred Avenue JEPA**”), under which the Tribe has

agreed to pay the full cost of improvements to Wilfred Avenue from Highway 101 west to Stony Point Road and the full cost of improvements to Business Park Drive; and

WHEREAS, the County and the Tribe are parties to an Intergovernmental Mitigation Agreement made effective as of October 23, 2012 (the “**County Agreement**”), under which the Tribe will make payments to mitigate potential Project impacts, including for police and fire protection services, water conservation, Highway 101 improvements, health and human services, and for parks and open space; and

WHEREAS, the City and the Tribe have determined the need to restate and amend the Original MOU, entered into more than nine (9) years ago, to reflect changes in the following: the relocation of the Project to a site within the City’s urban growth boundary and adjacent to the City’s incorporated boundaries, the Project scope, contributions to be made by the Parties prior to the Opening Date, the payments from the Graton Mitigation Fund, the Project’s demands on City services, and other matters; and

WHEREAS, the Tribe further intends to advance a cooperative and mutually respectful government-to-government relationship with the City; and

WHEREAS, the Tribe is committed to entering into a voluntary contractual arrangement with the City pursuant to which the Tribe agrees to make certain financial contributions and community investments to mitigate various impacts that may arise in connection with the Project; and

WHEREAS, this MOU does not constitute a “project” for CEQA purposes because it involves the creation of a government funding mechanism and/or other government fiscal activity. The terms in this MOU do not involve any commitment to any specific “project” which may result in a potentially significant physical impact on the environment and only requires the Tribe to make mitigation payments for identified mitigation measures and programs. This MOU does not obligate the City to undertake any specified mitigation measure or program or construction project nor does it set a time for development as those terms are used in CEQA; and

WHEREAS, the City recognizes and acknowledges that the Reservation is located outside the incorporated boundaries of the City and therefore the City has no authority to exercise jurisdiction over the Reservation or the Project. The City does not have legal authority to deliberate on, approve, disapprove, or otherwise exercise judgment regarding the Project. The City is therefore not deliberating on, approving, disapproving or otherwise exercising judgment regarding the Project by entering into this MOU; and

WHEREAS, the City acknowledges that the contributions and investments to be made by the Tribe and the other covenants made by the Tribe as set forth in this MOU are intended to be sufficient to mitigate the impacts of the Project on the City; and

WHEREAS, in acknowledging the contributions and investments to be made by the Tribe as set forth in this MOU, the City intends to use the funding provided by the Tribe to mitigate impacts on City resources and services such as traffic, staffing levels in public safety, public works, traffic circulation, neighborhood upgrades, workforce housing, problem gambling, storm water drainage, and other impacts; and

WHEREAS, the purpose of this MOU is to set forth the understandings of the Tribe and the City on the topics expressly set forth in this MOU.

NOW, THEREFORE, in consideration of the above and of the mutual promises herein contained, the sufficiency of which is acknowledged, the Parties hereby agree as follows:

## 5. PAYMENT TERMS

### 5.1 STATE GAMING AGENCY PAYMENTS.

- 5.1.1 This MOU requires the Tribe to make the contributions to the City specified in Sections 2.3 through Section 4 hereof as specified on the Due Dates, which are attached hereto as Exhibit A and incorporated herein by this reference. Within thirty (30) calendar days of the Opening Date, and annually thereafter in June of each year, the City shall prepare an annual payment schedule indicating the contributions to be made within the four Quarters of that year pursuant to this MOU (“**Annual Payment Schedule**”). The form of Annual Payment Schedule for 2014/2015 is attached hereto as Exhibit B and shall be updated to incorporate CPI data. The City shall submit the Annual Payment Schedule to the State Gaming Agency each year after calculating the CPI adjustments provided for in Section 5.5.
- 5.1.2 The Compact obligates the Tribe to make payments into the Graton Mitigation Fund. The State Gaming Agency is then obligated to disperse revenues from the Graton Mitigation Fund to the City according to the terms of this MOU pursuant to Compact section 4.5.1. All remaining funds in the Graton Mitigation Fund will then be dispersed first to the County, and then to the Revenue Sharing Trust Fund and/or the Tribal Nations Grant Fund according to the terms of the Compact.

- 5.1.3 The Parties expect the State Gaming Agency to make the payments due to the City pursuant to this MOU and the Compact on the Due Dates reflected on Exhibit A. The State Gaming Agency will make the first payment from the Graton Mitigation Fund following the end of the first full Quarter after the Opening Date. The timing of the payments in this MOU have taken the above referenced expectation into account and the Due Dates listed in Exhibit A are the latest dates upon which the City is to receive payments from the State Gaming Agency on behalf of the Tribe.
- 5.1.4 In the event of insufficient revenues in the Graton Mitigation Fund to make all the contributions set forth in this MOU, and the payments set forth in sections 3(a), 3(b), 3(d) and 3(e) of the County Agreement, the State Gaming Agency shall disperse funds from the Graton Mitigation Fund in the following priority order, until exhausted: (i) the Guaranteed Contributions to the City (defined in Section 5.2.1) shall be paid first, (ii) the payments guaranteed to the County in sections 3(a), 3(b), 3(d), and 3(e) of the County Agreement shall be paid second, (iii) the contributions to the City established in Section 4.1, 4.2 and 4.3 of this MOU in such amounts as available for distribution on a *pro rata* basis shall be paid third, (iv) the payments to the County established in sections 3(c), 3(f), 3(g), 3(h), 3(i) and 3(j) of the County Agreement shall be paid fourth, (v) the payments established in section 5(e) of the County Agreement regarding reimbursements shall be paid fifth, (vi) two hundred fifty thousand dollars (\$250,000) of the quarterly payment for community benefits set forth in 4(a) of the County Agreement shall be paid sixth, (vii) the contributions established in Section 5.3 of this MOU regarding reimbursements shall be paid seventh, and (viii) any other payments due out of the Graton Mitigation Fund shall be paid eighth.

## 5.2 GUARANTEED CONTRIBUTIONS BY THE TRIBE.

- 5.2.1 The Parties agree that certain contributions under this MOU are of such importance to the mitigation of the Project's impacts that the City should have a guarantee that those contributions will be made, regardless of the availability of funds in the Graton Mitigation Fund. Accordingly, in the event that the State Gaming Agency fails to timely disperse to the City any payment referenced in Sections 2.3 through and including Section 2.5, and Section 3 (including all subdivisions thereof), by the Due Dates, then, within ten (10) days following the Due Dates, the Tribe shall make all of the payments due under Sections 2.3 through and including Section 2.5 and Sections 3 of this MOU to the City ("**Guaranteed Contributions**").
- 5.2.2 The contributions under Sections 2.1 and 2.2 are not addressed hereunder because they must be paid by the Tribe prior to the Opening Date, so these payments are not contingent on the availability of funds in the Graton Mitigation Fund.

5.2.3 The contributions under Section 4.1, 4.2 and 4.3 are not addressed hereunder because the Parties do not intend for those contributions to be guaranteed by the Tribe in the event that the State Gaming Agency lacks the funds in the Graton Mitigation Fund to make the contributions. Payments required under Section 4.1, 4.2 and 4.3 shall be made if sufficient funds are available, as established in Section 5.1.4.

### 5.3 REIMBURSEMENTS.

5.3.1 **REIMBURSEMENTS OF CONTRIBUTIONS MADE BY THE TRIBE TO THE CITY.** The City agrees to use its best efforts, to the extent such action is authorized by law or statute, to request reimbursement of contributions previously made by the Tribe as described below from the State Gaming Agency. In the event the City receives any reimbursement from the State Gaming Agency for contributions previously made by the Tribe as described below, the City shall reimburse the Tribe any payments the City receives from the State Gaming Agency which are specifically delineated for purposes of reimbursing the Tribe (“**Reimbursements**”). The City shall make such Reimbursements available to the Tribe within thirty (30) calendar days of receipt thereof. However, in no event shall the City be liable to the Tribe to make any payment of Reimbursements unless the City has received said Reimbursements from the State Gaming Agency. In the event the City does not receive Reimbursements from the State Gaming Agency for the specific purpose of reimbursing the Tribe, the City shall incur no liability and the Tribe agrees not to initiate any litigation or bring any other claims against the City regarding the same. The Reimbursements which the City will seek pursuant to this Section 5.3.1 are as follows:

A. **REIMBURSEMENT OF GUARANTEED CONTRIBUTIONS.** To reimburse the Tribe for mitigation payments previously made by the Tribe as Guaranteed Contributions, the City shall reimburse the Tribe any Guaranteed Contributions the City receives from the State Gaming Agency.

B. **REIMBURSEMENT FOR WILFRED AVENUE IMPROVEMENTS.** The Parties acknowledge and agree that the Tribe has and will incur significant costs for road improvements to Wilfred Avenue and Business Park Drive pursuant to the Wilfred Avenue JEPA and that funds paid by the Tribe into the Graton Mitigation Fund are intended to pay for such off-reservation mitigation costs. Accordingly, to reimburse the Tribe for the payments for improvements to Wilfred Avenue and Business Park Drive made pursuant to the Wilfred Avenue JEPA (“**Wilfred Improvement Reimbursement**”), the City shall reimburse the Tribe any Wilfred Improvements Reimbursement the City receives from the State Gaming Agency.

C. **REIMBURSEMENT FOR WILFRED AVENUE MAINTENANCE.** To reimburse the Tribe for the payments to the City which mitigate the costs associated with the maintenance of Wilfred Avenue which costs are initially two hundred eighty eight thousand two hundred fourteen dollars (\$288,214) per annum and are required to be made pursuant to Section 6.6.2 of the Wilfred Avenue JEPA ("**Wilfred Maintenance Reimbursement**"), the City shall reimburse the Tribe any Wilfred Maintenance Reimbursement the City receives from the State Gaming Agency.

D. **REIMBURSEMENT FOR DEVELOPMENT FEE CONTRIBUTION PRIOR TO OPENING.** To reimburse the Tribe for the non-recurring cash contribution of two million six hundred sixty four thousand dollars (\$2,664,000) in lieu of development and related fees to mitigate the impact of the Project on City staff and other resources as set forth in Section 2.1 of this MOU ("**Development Fee Contribution**"), the City shall reimburse the Tribe any Development Fee Contribution the City receives from the State Gaming Agency.

E. **REIMBURSEMENT FOR SPECIAL ENFORCEMENT ACTIVITIES CONTRIBUTION.** To reimburse the Tribe for the non recurring cash contribution for contributions made to mitigate impacts on law enforcement activities as set forth in Section 2.2 of this MOU paid by the Tribe prior to the Opening Date ("**SEA Reimbursement**") the City shall reimburse the Tribe any SEA Reimbursement the City receives from the State Gaming Agency.

5.4 **DEDUCTIONS FOR ADVANCE PAYMENTS.** The City shall deduct the amount of the contributions which the Tribe made to the NET referenced in subsection 3(d) of the Original MOU ("**NET Payments**") less amounts paid by the City for mitigation which the Tribe agreed to pay pursuant to the Original MOU, including storm water improvements to Martin Avenue, installation of an on-demand traffic signal for the Rancho Verde Mobile Home Park, and relocation of the repeater system from the former Cusher's Stadium to the existing public safety building ("**City Mitigation Payments**"). It is agreed that the NET Payments minus the City Mitigation Payments equals two million four hundred nine thousand seven hundred forty five dollars (\$2,409,745) ("**Deduction Amount**"). The Deduction Amount shall be deducted from the contributions due to the City under Section 4.2.1 of this MOU in twelve (12) equal, successive quarterly installments commencing on the first business day of the third (3rd) Quarter after the Opening Date and continuing on the first business day of the next eleven (11) Quarters thereafter. In the event that there are insufficient payments made from the Graton Mitigation Fund to the City under Section 4.2.1 from which to deduct the above-described amounts, the remainder shall be deducted from each successive Quarter, until satisfied. In no event shall the City be obligated to take deductions from other payments made under this MOU.

- 5.5 **CPI ADJUSTMENT.** All recurring contributions and deductions described in this MOU shall be increased annually by the CPI Adjustment, which shall be effective on July 1 of each year following the Opening Date. For the purposes of this MOU, the April to April index shall be effective to July 1st.
- 5.6 **CONTINGENT PAYMENTS.** Notwithstanding any other provision of this MOU, the Parties acknowledge and agree that except for the non-recurring payments to commence prior to the Opening Date as set forth in Sections 2.1 and 2.2 of this MOU, the Tribe's mitigation contributions shall be contingent upon the occurrence of the Opening Date and the continuation thereafter of Gaming Activities. In the event the Opening Date does not occur for any reason, mitigation payments payable after the Opening Date shall not be due.
- 5.7 **PUBLIC ATTRIBUTION.** The City shall generally identify and publicly attribute mitigation measures and community investments and projects funded and supported by the Tribe, including, but not limited to, in the City budget process.

6. **ADDITIONAL TRIBAL COVENANTS AND ACKNOWLEDGMENTS**

- 6.1 **BUILDING AND SAFETY CODES.** The Parties acknowledge and agree that the Gaming Facility is subject to the California Building Code and the California Public Safety Code applicable to the County, as set forth in Titles 19 and 24 of the California Code of Regulations, and, pursuant to the Compact, is subject to plan checks, building inspections, and annual certification that the Gaming Facility is operated in conformity with the applicable codes.
- 6.2 **FIRE AND EMERGENCY SERVICES.** The Parties acknowledge and agree that the Gaming Facility is subject to Title 19 of the California Code of Regulations, the California Building Code, and the California Public Safety Code applicable to similar facilities in the County, and that the Compact requires that the Gaming Facility, as set forth in Titles 19 and 24 of the California Code of Regulations, and, pursuant to the Compact, is subject to regular inspections to ensure that the Gaming Facility meets a reasonable standard of fire safety and life safety.

## 7. **TERM AND TERMINATION**

7.1 **EFFECTIVE DATE.** This MOU shall not become effective unless and until the following events have occurred:

7.1.1 This MOU has been approved by the City Council of the City, approved as to form by legal counsel for the City and executed and delivered by the City; and

7.1.2 This MOU has been approved by the Tribal Council and the General Council of the Tribe, approved as to form by outside legal counsel to the Tribe, and executed and delivered by the Tribe.

7.2 **EXPIRATION DATE.** Once effective, this MOU shall be in full force and effect until the later of (i) December 31, 2033, or (ii) the date the Compact or any extension thereof expires or is terminated (“**Expiration Date**”). Notwithstanding the foregoing, this MOU shall be automatically extended for any period that Gaming Activities continue to be operated on the Reservation and the terms (including the Tribe’s obligation to make all payments due pursuant to this MOU) shall be in full force and effect until the Parties meet, confer and renegotiate new terms of a memorandum of understanding as provided for in Section 7.3 hereof. Based on the foregoing, the terms of this Amended MOU shall expire when the parties successfully renegotiate and adopt a new memorandum of understanding, thereby superseding this Amended MOU.

7.3 **MOU RENEGOTIATIONS.** If the Tribe enters into a new tribal-state gaming compact (“**New Gaming Compact**”), extends the term of the Compact (“**Compact Extension Agreement**”), or the Expiration Date occurs, commencing not later than ninety (90) days following the Legislature’s adoption of the New Gaming Compact, the Legislature’s adoption of a Compact Extension Agreement, or the Expiration Date, the Parties shall meet, confer and renegotiate with respect to the provisions of this MOU that provide for mitigation and community benefit payments made by the Tribe under this MOU (“**Compact Extension Renegotiations**”). 7.4 **EFFECT OF EXPIRATION OR TERMINATION.** Upon the expiration, as provided for in Section 7.2, or termination, as provided for in Section 7.5, of this MOU, the provisions of this MOU shall be of no further force and effect and none of the provisions of this MOU shall survive such expiration or termination; provided, however, that the Tribe shall make contributions pursuant to the terms of this MOU which became due and payable prior to any expiration date; and provided, further, that, if this MOU terminates for reasons unrelated to a default by the City, the Tribe shall make any contributions pursuant to the terms of this MOU which became due and payable prior to such termination date.

7.5 **TERMINATION.** Unless otherwise agreed by the Parties, this MOU shall automatically terminate in the event, and on the date, that the Tribe: (i) permanently ceases development and construction of the Project without having commenced Gaming Activities, or (ii) permanently ceases the operation of all

Gaming Activities on the Reservation and the provisions of Section 8.1 do not apply.

## 8. SUSPENSION EVENTS

8.1 If, due to Force Majeure (as hereinafter defined), an act of God, valid business considerations or any other reason, 51% of all Gaming Activities previously conducted by the Tribe on the Reservation are suspended or terminated for a period of at least three (3) months, the Tribe's obligations to make annual financial contributions pursuant to Sections 2 through 4 of this MOU shall be suspended in the same manner as authorized under the Compact until such time as the Gaming Activities are resumed. The period of obligations under this MOU shall be extended for the time of the suspension. For the purposes of this section, the term "Force Majeure" shall include, without limitation, the following circumstances that result in a suspension of 51% of all Gaming Activities previously conducted by the Tribe on the Reservation: earthquake; flood; fire; other natural disasters; changes in law, regulation or governmental policy; riots; war; or terrorism. Nothing in this section shall impact the Tribe's liability for financial contributions which became due and payable prior to the date such Gaming Activities were suspended or terminated. When a Force Majeure event occurs, the Tribe shall provide written notice within seventy-two (72) hours of the event that performance of its obligations is prevented or delayed, and within seventy-two (72) hours after Gaming Activities are resumed.

## 9. RENEGOTIATION PROVISION

9.1.1 **RENEGOTIATION EVENTS.** The City or the Tribe may request that the other party renegotiate one or more of the provisions of this MOU if there is a change in law, facts, or other unforeseen circumstances that fundamentally changes the City's or Tribe's financial assumptions made in entering into this MOU ("**Fundamental Changes Renegotiations**"). Such Fundamental Changes shall be deemed to include, without limitation, a significant adverse impact on either the City or Tribe as follows:

- (i) the existence of a significant adverse impact of the Project on the City whose extent of impact was not specifically addressed in the EIS or was not anticipated by the City;
- (ii) any change ending the prohibition on Class III gaming (as defined in IGRA) or the operation of Gaming Devices by non-Indians in California that substantially affects the Project's financial projections and actual revenues by at least 25%; and
- (iii) a substantial reduction in the scope of all Gaming Activities permitted on the Reservation, whether pursuant to a change in

federal, state or local constitutions, laws, rules or regulations, or amendment of the Compact.

9.2 **FUNDAMENTAL CHANGES RENEGOTIATION PROCEDURES.** All requests to enter into Fundamental Changes Renegotiations shall be by written notice and shall include reference to the provisions of this MOU to be renegotiated. Upon receipt of such notice, the Parties shall attempt to renegotiate this MOU in good faith. The Parties shall confer promptly and determine a schedule for commencing negotiations within fifteen (15) days of the notice. Each Party is hereby authorized to designate the person responsible for conducting the negotiations, and shall execute any documents necessary to confirm such authorization. The purpose of the negotiations will be to attempt to renegotiate the provisions of this MOU in good faith so that the Parties retain substantially the same rights, levels of mitigation, and community benefits contemplated as of the date of this MOU. If, the Parties are unable to agree upon the dollar amounts necessary to maintain substantial mitigation of impacts and a comparable level of community investments within one hundred and eighty (180) days of commencing Fundamental Changes Renegotiations, the Parties may trigger the dispute resolution provisions contained in Section 11.

## 10. SEVERABILITY

10.1 Notwithstanding any provision of California law to the contrary, if any provision of this MOU is held to be illegal, invalid, or unenforceable under present or future laws, such provision shall be fully severable, this MOU shall be construed and enforced as if such void, illegal, invalid, or unenforceable provision had never comprised a part of this MOU, and the remaining provisions of this MOU shall remain in full force and effect and shall not be affected by the void, illegal, invalid, or unenforceable provision or by its severance from this MOU. Similarly, notwithstanding any provision of California, Federal or Tribal law to the contrary, if any provision of this MOU requires the City, Tribe, or any other Public Entity to take any action which has not been taken in connection with the approval of this MOU or otherwise, or subjects this MOU to the referendum or initiative process under California law, this MOU shall be construed and enforced as if such provision had never comprised a part of this MOU, and the remaining provisions of this MOU shall remain in full force and effect and shall not be affected by the applicable provision or by its severance from this MOU. In the event that the entire MOU is declared void, illegal, invalid, unenforceable or unauthorized, the Parties shall enter into good faith negotiations to negotiate a new agreement that maintains the expectation of each Party in entering into this MOU. If any of the events referenced in this section occurs, the Parties shall endeavor in good faith negotiations to replace the applicable provision or provisions with a substitute provision, the economic and other effects of which comes as close as possible to that of the provision which has been severed. Such negotiations shall be conducted pursuant to the provisions of section 9(b) of this MOU.

## 11. DISPUTE RESOLUTION PROVISIONS

- 11.1 **DISPUTE RESOLUTION.** In an effort to foster good government-to-government relationships and to assure that the Tribe is not unreasonably prevented from engaging in gaming and other commercial activities on the Reservation, and the City is able to insure that the off-reservation impacts of the Project are fully mitigated, the Parties agree to the dispute resolution procedures set forth in this section.
- 11.2 **MEET AND CONFER.** The Parties shall make their best efforts to resolve claims arising under this MOU by good faith negotiations whenever possible. Any such disputes between the Parties shall first be subjected to a process of meeting and conferring in good faith in order to foster a spirit of cooperation in the implementation of the terms of this MOU as follows:
- 11.2.1 A Party shall give the other Party, as soon as possible after the event giving rise to the dispute, written notice setting forth, with specificity, the claims of breach of this MOU.
- 11.2.2 The Parties shall meet and confer in a good faith attempt to resolve such dispute through negotiation not later than 10 days after the receipt of notice, unless the Parties agree in writing to an extension of time.
- 11.3 **MEDIATION OR OTHER DISPUTE RESOLUTION.** If such dispute is not resolved to the satisfaction of the Parties, the Parties may, by mutual agreement, pursue mediation or any other method of dispute resolution; provided, however, that no Party is under an obligation to agree to such mediation or other method of dispute resolution.
- 11.4 **BINDING ARBITRATION.** If such dispute is not resolved to the satisfaction of the Parties within thirty (30) calendar days after either the first meeting or after any other dispute resolution under section 11.3, or such other extended period as the Parties may agree in writing, then the Parties may seek to have the dispute resolved by binding arbitration in accordance with the following procedures:
- 11.4.1 Upon the request of a Party in writing, the dispute shall be submitted to binding arbitration in accordance with this section.
- 11.4.2 The disputes to be submitted to arbitration shall be limited to claims arising under this MOU, and which were subject to the meet and confer in section 11(b) of this MOU.
- 11.4.3 In the event there is any dispute as to whether a matter is subject to the arbitration provisions of this MOU, or any dispute concerning the scope of the matter or matters to be arbitrated, the disagreement as to whether the dispute is subject to the arbitration provisions of this MOU or the scope of such arbitration shall be submitted to the arbitrator referenced in subsection (iv) of this section.

- 11.4.4 The arbitration shall be conducted before a single arbitrator in accordance with the JAMS Streamlined Arbitration Rules (or such other streamlined arbitration rules as the Parties may agree), as modified by the provisions of this MOU.
- 11.4.5 The arbitrator shall be selected by the Parties. If at such time the Parties are unable to agree upon the selection of a single arbitrator, then each Party shall name one arbitrator and the two arbitrators thus selected shall select a third arbitrator who shall be a retired California Superior Court or United States District Court judge; provided, however, if either Party fails to select an arbitrator within fourteen (14) days of delivery of the request for arbitration, then the arbitrator selected by the other Party shall conduct the arbitration.
- 11.4.6 The arbitration shall take place in Sonoma County or another location mutually agreed upon by the Parties.
- 11.4.7 The provisions of Section 1283.05 of the California Code of Civil Procedure shall apply; provided that no discovery authorized by that section may be conducted without leave of the arbitrator.
- 11.4.8 Each side shall bear its own costs, attorneys' fees, and one-half the costs and expenses of the arbitrator.
- 11.4.9 The decision of the arbitrator should be made within thirty (30) days of the arbitration. The decision shall be in writing and shall give reasons for the decision.
- 11.5 **DAMAGES.** The Parties agree that any monetary damages awarded or arising under this MOU shall be exclusively limited to actual direct damages incurred based on obligations contained in this MOU that have been demonstrated with substantial certainty and which do not, in any event, exceed the total amount of the annual financial contributions which the Tribe is required to make to the City under the MOU. In no instance shall the Parties to this MOU be entitled to special, incidental, indirect, consequential or punitive damages, lost profits or attorney's fees. The Parties agree not to assert any claim for damages, injunctive, or other relief which is not consistent with the provisions of this MOU.
- 11.6 **CONFIRMATION OF AWARDS.** Any Party to an arbitration in which an award has been made pursuant to this section may petition the Federal District Court for the Northern District of California or, if such Court declines jurisdiction, the State Superior Court for Sonoma County or any other court of competent jurisdiction to confirm the award, including any appellate proceedings. The Parties expressly consent to the jurisdiction of such Courts for the purpose of confirmation of such an award. An award shall be confirmed, provided that:
- 11.6.1 The award is limited to the purposes of arbitration stated in this section.

11.6.2 No person or entity other than the Parties is a party to the action, unless failure to join a third party would deprive the court of jurisdiction; provided, however, that nothing herein shall be construed to constitute a waiver of the sovereign immunity of the Parties in respect to any such third party.

11.6.3 If an award is confirmed, judgment shall be entered in conformity with the award. The judgment so entered has the same force and effect as, and is subject to all the provisions of law relating to, a judgment in a civil action, and may be enforced like any other judgment of the court in which it is entered.

11.7 **INTERVENTION.** Nothing in this MOU shall be construed to constitute a waiver of the sovereign immunity of the Tribe or the City with respect to intervention by any additional party not deemed an indispensable party to the proceeding.

11.8 **CONFIDENTIALITY.** Unless otherwise agreed by the Parties, any dispute resolution meetings or communications, or mediation, shall be in the context of a settlement discussion to potential litigation and remain confidential to the extent not prohibited by applicable law.

## 12. WAIVER OF SOVEREIGN IMMUNITY

12.1 Pursuant to General Council Resolution \_\_\_\_\_, and subject to the provisions of this section, the Tribe expressly and irrevocably waives sovereign immunity (and any defenses based thereon) in favor of the City, but not as to any other person or entity, as to any dispute which specifically arises under this MOU and not as to any other action, matters or disputes. The Tribe does not waive its sovereign immunity with respect to (i) actions by third parties, except for parties acting on behalf of, under authorization from, or pursuant to a contract with, the Tribe or City; or (ii) disputes between the Tribe and the City which do not specifically arise under this MOU. The Tribe further agrees that exhaustion of administrative remedies, including before any tribal court, shall not be required prior to proceeding to arbitration or court action under section 11.

## 13. REPRESENTATIONS AND WARRANTIES

Each Party represents, warrants and covenants to the other Party as follows:

13.1 **AUTHORITY.** Such Party has the legal power and authority to execute and deliver this MOU and to perform its obligations under this MOU.

13.2 **DUE AUTHORIZATION.** The approval, execution, and delivery of this MOU, and waiver of sovereign immunity, and the performance by such Party of its obligations under this MOU, have been authorized by all requisite actions of such Party.

- 13.3 **DUE EXECUTION AND DELIVERY.** The persons executing this MOU on behalf of such Party are duly authorized to execute and deliver this MOU on behalf of such Party.
- 13.4 **ENFORCEABILITY.** This MOU constitutes the legal, valid and binding obligation of such Party, enforceable against such Party in accordance with its terms, and, once executed and delivered, cannot be invalidated pursuant to any subsequent action of the City Council of the City or the Tribal Council or General Council of the Tribe, as applicable.
- 13.5 **NO CONFLICT.** The approval, execution, delivery and performance of this MOU does not conflict with any other agreement to which such Party is a party and does not violate or require any action which has not been taken under any law, statute, rule, regulation, ordinance, general plan, tribal law, specific plan or court order or decree applicable to such Party.
- 13.6 **WAIVERS.** A waiver of any breach of any provision of this MOU shall not constitute or operate as a waiver of any other breach of such provision or of any other provisions, nor shall any failure to enforce any provision operate as a waiver of such provision or of any other provisions.

#### 14. **GENERAL PROVISIONS**

- 14.1 **NO SUBMISSION TO JURISDICTION.** The Parties acknowledge and agree that this MOU, except as otherwise specified, is not intended to constitute, and shall not be construed as constituting, a submission by the Tribe to the jurisdiction of (i) the City or any or any of its subdivisions, departments or courts, (ii) any of its or their respective officials, employees, inspectors or contractors, or (iii) any of its or their respective laws, rules, regulations, ordinances, general plans or specific plans.
- 14.2 **THIRD PARTY MATTERS.** This MOU is not intended to, and shall not be construed to, create any right on the part of any third party to bring any action or otherwise enforce any of its terms.
- 14.3 **INDEMNIFICATION.** The Tribe agrees to indemnify, defend and hold harmless the City (with counsel reasonably acceptable to the City) from and against any and all claims, losses, proceedings, damages, causes of action, liability, costs and expenses (including its reasonable attorneys' fees) arising from any action or proceeding filed against the City which challenges the City's approval, execution or delivery of this MOU.

14.5 **GOVERNING LAW.** This MOU shall be governed by, and construed in accordance with, the laws of the State of California.

14.6 **CONSTRUCTION OF AGREEMENT.** This MOU, including all recitals, together with all Exhibits, constitutes the entire agreement between the Parties and supersedes all prior negotiations, representations, drafts regarding this MOU, whether written or oral. In the event of a dispute between the Parties as to the language of this MOU or any amendment to this MOU or the construction or meaning of any term contained in this MOU or any amendment to this MOU, this MOU or any amendment to this MOU shall be deemed to have been drafted by

the Parties in equal parts so that no presumptions or inferences concerning its terms or interpretation may be construed against, or in favor of, either Party based on the preparation or negotiation of this MOU or any amendment to this MOU. The headings contained in this MOU are for convenience of reference only and shall not effect this MOU's construction or interpretation.

14.7 **BINDING AGREEMENT.** This MOU is intended to be, and shall be construed to be, binding upon the Parties and all successors and successors-in-interest of each Party, including all officers, agents and employees, and, in the case of the City, future City Councils, and, in the case of the Tribe, future Tribal Councils or General Councils.

14.8 **ENVIRONMENTAL REVIEW**

14.8.1 Pursuant to the CEQA Guidelines (Cal. Code Regs., titl. 14, Section 15378, subd. (b)(4)), this MOU does not constitute a "project" for CEQA purposes because it involves the creation of a government funding mechanism or other government fiscal activities, which do not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment. This MOU requires the Tribe to make mitigation payments for identified mitigation measures and programs; however, the City retains discretion to elect not to implement any or all of the specific mitigation measures and programs identified in this MOU. Further this MOU does not obligate the City to undertake a specified mitigation program or construction project nor does it set a time for development.

14.8.2 The Parties acknowledge and agree that this MOU is not intended to be and does not constitute a development agreement for the purposes of Government Code section 65865. Nor does this MOU commit the City to implement any public improvement, or to take any action that may result in physical changes in the environment.

14.8.3 The Parties acknowledge that the EIS and/or Record of Decision evaluated the impacts of the Project and provided for the mitigation thereof.

14.8.4 The Parties acknowledge and agree that: (i) the Tribe is not a public agency subject to CEQA; (ii) the Project is not subject to CEQA or to City environmental review, design, land use or land development ordinances, plans, manuals or standards; (iii) the City does not have legal authority to deliberate on, approve, disapprove, or otherwise exercise judgment regarding the Project; and (iv) the City is not deliberating on, approving, disapproving or otherwise exercising judgment regarding the Project by entering this MOU.

14.8.5 Government Code § 12012.56(b)(1)(C) is a statutory CEQA exemption adopted with specific reference to this Project and the mitigation of its off-

site impacts. That Section states that in deference to tribal sovereignty, the execution of an intergovernmental agreement between a tribe and a county or city government negotiated pursuant to the express authority of, or as expressly referenced in, the Compact shall not be deemed a project for purposes of CEQA. This MOU is an intergovernmental agreement, made pursuant to Sections 4.4 and 11.8.7 of the Compact, between the Tribe and the City negotiated pursuant to the Compact and, therefore, execution of this MOU is not subject to CEQA. Subsections (a)(1)-(4) and (c) of Section 11.8.7 of the Compact require the City and the Tribe to enter into enforceable intergovernmental agreements to timely mitigate, through compensation or other means, any significant effect of the Project on the environment, which were attributable in whole or in part to the Project. By expressly declaring intergovernmental agreements made under the Compact to not be a “project” for CEQA purposes, and by expressly acknowledging the need for an intergovernmental agreement to mitigate impacts in the Compact, the Legislature expressly exempted mitigation agreements such as this MOU from compliance with CEQA.

14.8.6 To the extent that the City is required to comply with CEQA with respect to any improvements, programs or activities identified in or related to this MOU, the City will comply with CEQA prior to approving or implementing such improvements, programs or activities. This MOU does not restrict the City’s discretion to evaluate the impacts of such improvement, programs or activities, identify and adopt mitigation for such impacts, consider and approve alternatives designed to lessen such impacts, or deny approvals necessary for such improvement, programs or activities.

14.9 **AMENDMENTS.** This MOU may be modified or amended only by mutual and written agreement of the Parties.

14.10 **REVIEW BY THE DEPARTMENT OF INTERIOR.** The Tribe shall submit this MOU to the United States Department of the Interior for either: (a) approval pursuant to 25 U.S.C. § 81; or (b) a written response that this MOU does not require approval under 25 U.S.C. § 81. The Tribe shall undertake reasonable efforts, in consultation with the City, to secure approval or written response. The City, at its sole discretion, has the right to withdraw its support for the MOU if it is not submitted to the Department of the Interior pursuant to this section within ten (10) days following the Effective Date. If the Department of Interior determines that portions of this MOU violate 25 U.S.C. § 81 or are otherwise invalid, the severability provisions set forth in section 10 of this MOU shall govern.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the Parties have executed this MOU as of the date first set forth above.
